Well Wishes

Dear Wonderful Lincoln graduates,
It has been a true pleasure seeing your smiling faces while you were here at Lincoln. I hope your memories will stay with you all the rest of your lives. Best of luck as you move on to the middle school—and beyond!

Love, Mrs. Madura

Dear 5th Graders:

I wish you all much success as you move to the Middle School. Always strive to be the very best you can be! I wish you all the most and best that life has to offer. Keep in touch to let us know how you are doing.

Ms. Caradine

Dear Lincoln Fifth Graders,

I am sorry to see you go! You were such a lively, fun bunch of kids, and I was fortunate enough to have you "Loopers" for two years. I remember you as very good writers, readers, geographers, and artists. I also loved talking Cubs/Bears with some of you. I know you will do well at Brooks, but please don't forget about us here at Lincoln. Come back and see us! Remember: BE RESPONSIBLE, BE RESPECTFUL, BE HELPFUL like you have been for all your years here.

Love, Mrs. Zillman
looping teacher grades 1 and 2

My fondest memory of chorus this year was singing songs on the bus on the way back from our choral fest rehearsals. What a blast!! You are all so talented! Keep on singing and best of luck.....Mr. Tangorra

Dearest 5th Graders,

How happy we are for you to be finding your steps into the next phase of your education. We know it is a big step but we also know that you are well-prepared as we have loved and nurtured and taught and sometimes nagged at you too, in order for you to learn to stand tall and be good humans.

We know that it is not always easy to know which way to turn when you are growing up, so remember that we are here if you need advice or if you just want to touch base with those who watched you grow up. I hope that you will find it within yourself to reach out to your classmates when they are struggling, to share your laughter with others, to tell your family about your day, to get some fresh air everyday, to read great and powerful books, to listen to great and inspiring music, to learn a new word every week, to empower yourselves by doing good in your community and to let the people that you love most, know it. Keep your minds and hearts open to new ideas and take the lessons from Lincoln with you. Keep a piece of us with you as we will keep a piece of you with us.

With great love and peace in my heart,
Diane Conmy

Best wishes next year at Brooks! We had 2 great years in first and second grades!

Mrs. Hayes

Well Wishes_{continued}

5th Graders,
It's been a pleasure to get to know you
and I wish you all the very best.
Mrs. Slanina

To The Lincoln School 5th Grade
Graduating Class of 2011:

I am so very proud of all of you, and I hope
you all remember what it means to be a
Lincoln Student. I want you to always rep-
resent the best of you, and continue to
make me proud...I will be checking on you.
I am happy to say I know you, because you
all have taught me so much about myself.
Congratulations...from Mr. C.!

To the 5th Grade Wonders,

You have delighted and inspired us for
years and now you get to sail on to bigger
waters.

Be true to yourselves, do something for the
world, and come back to visit with great
stories!

We love you and wish you well!

Ms. Lindsay

Lincoln was lucky to have such a great class
as a part of its school. I will miss all of your
smiling faces but will remember fondly all of
the good books, laughs, and memories we
were able to share together. Even though
your lives are taking you away from Lincoln,
always keep us in your heart! Come back
to visit!

Love, Mrs. Meisinger

"Celebrate what you've accomplished,
but raise the bar a little each time you
succeed."

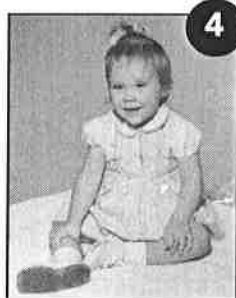

Mia Hamm

Fifth grade class, I wish you the best. We
expect you to represent Lincoln with
pride. So please don't throw any "toast"
parties at the Middle School! Love ya!

Mrs. Burries

A mis estudiantes de 5to grado, I want
to wish you all the best luck in the mid-
dle school. I will miss each one of you
and I will miss working on our Spanish
stories together. Enjoy the middle school
and come and visit us when you can.
Mucha suerte amigos.

HALTER

To the Students from Room 312

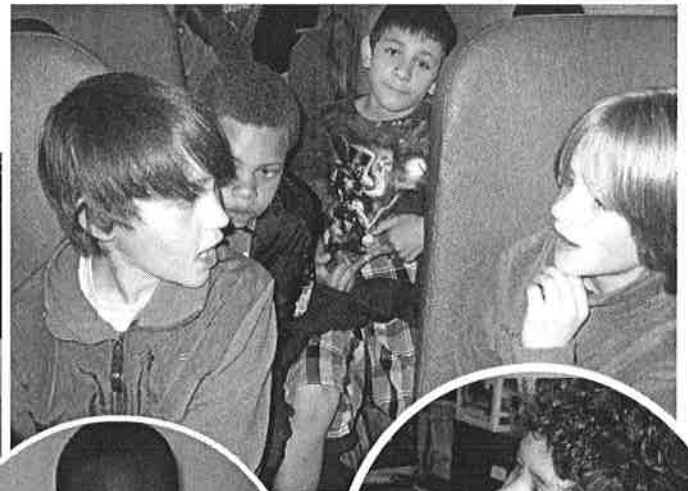

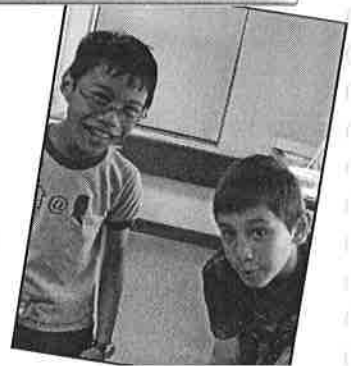

How can it be that time seems to go slow or fast, when it actually always goes the same speed? Doesn't it seem to take forever for your birthday to arrive, and then when it does, it's over in a flash? Perhaps during your fifth grade year at Lincoln time has raced and dragged at different times. Did it take a long time to get to the Holiday Sing, only to have it over in heartbeat? Did winter break end so quickly only to have the January cold seem eternal?

Perhaps like me, the year has passed quickly for you even though at times it seemed as though it would never end. So much has happened in such a short time. That's why a yearbook is such a good thing to have, and keep. As the years after Lincoln increase, there will be moments when you open this precious keepsake. As you do, time will stop. That's what yearbooks do, you know.

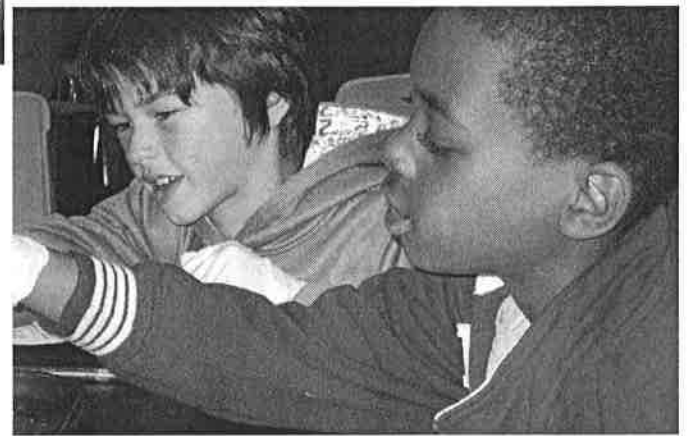

I wish you good memories of your time at Lincoln.

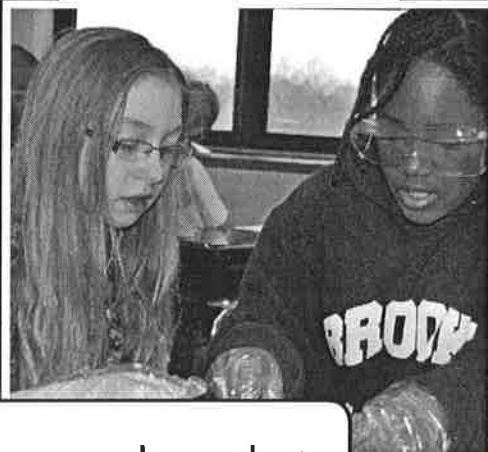

Sincerely,

Mr. Halter

GODEK'S ROOM RULES!

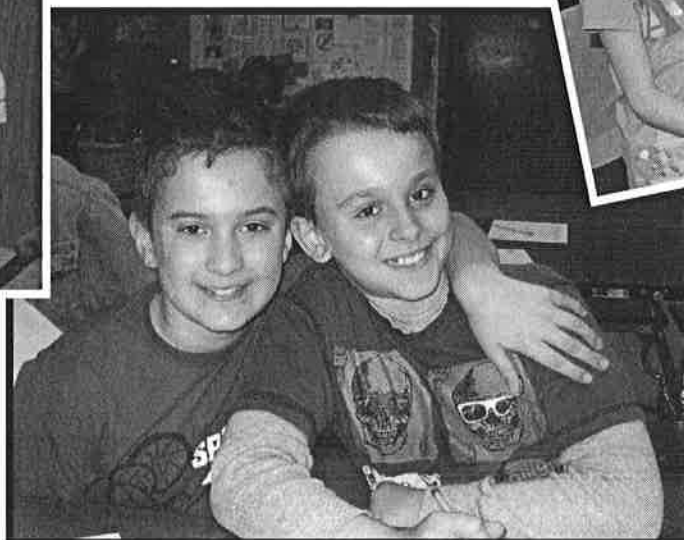

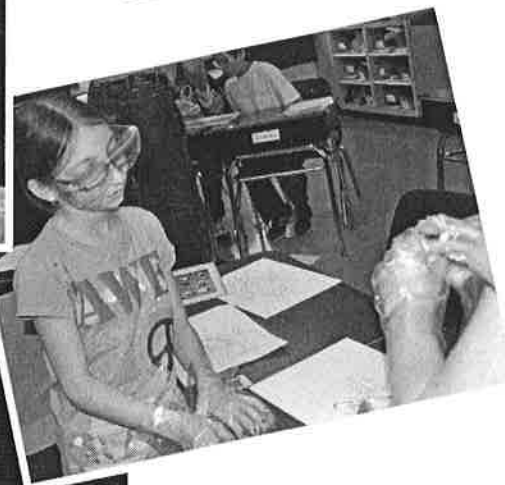

Dear Fifth Graders,

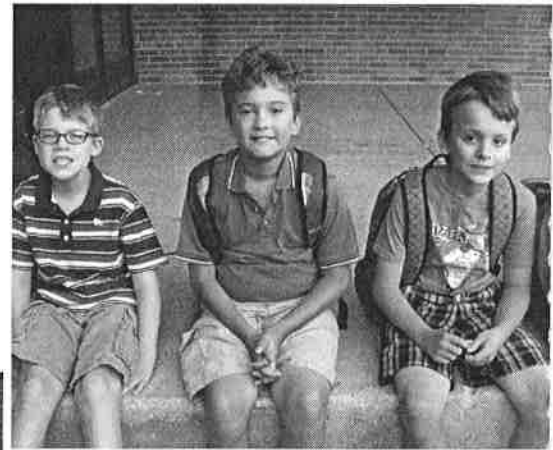

I can't believe the year is over. I am so proud of each and every one of you. You've all worked so hard this year. Remember all of the good things and how much we made each other smile. Continue to work hard, be respectful and show Brooks what a great bunch of students you are! Good luck to all of you!

— Mrs. Godek

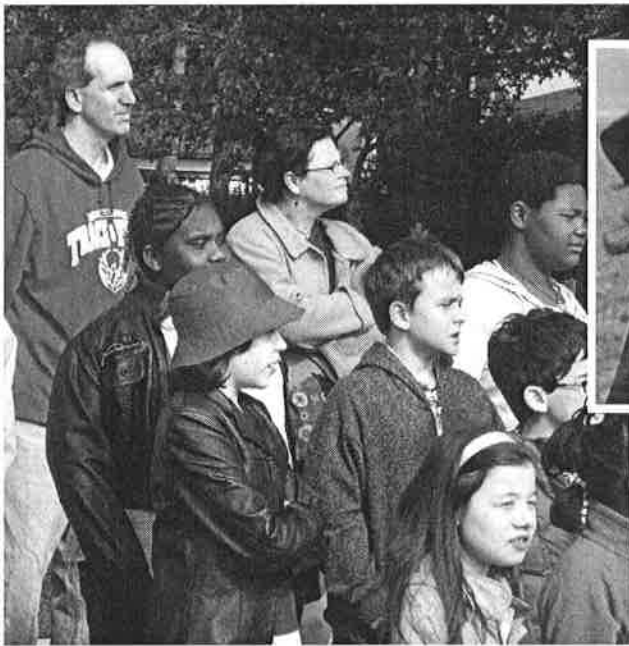

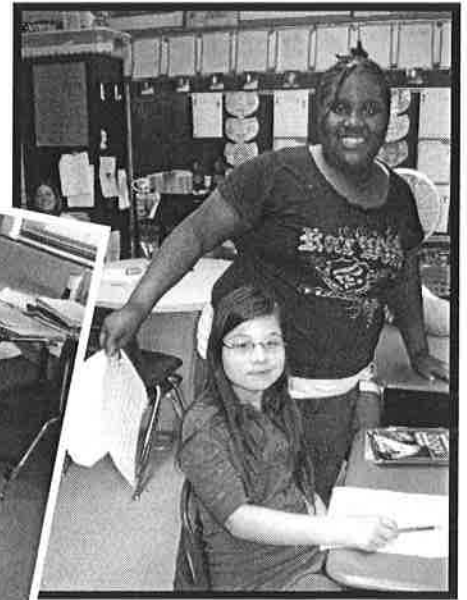

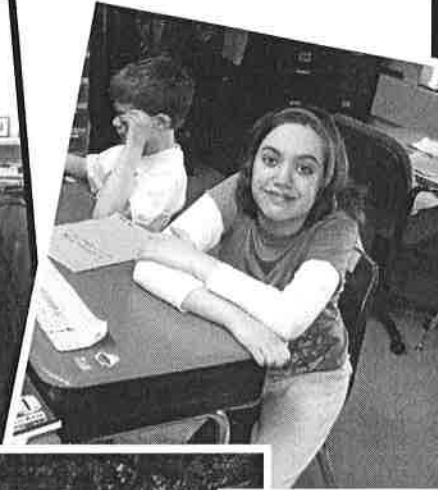

GODEK'S CHILDREN

SAY GOODBYE!

Mini McNishes

This has been a year I will never forget and you are a class that will surely have a warm spot in my heart for many years to come for you are such a special group of children. There was much learning and laughter in our mobile classroom. I was so impressed with your willingness to work in a unique setting-remember no desks for the first month! Each of you has shown me in numerous ways acts of generosity and open-minded spirit. I hope you continue this as you experience new ideas, new learning and new adventures.

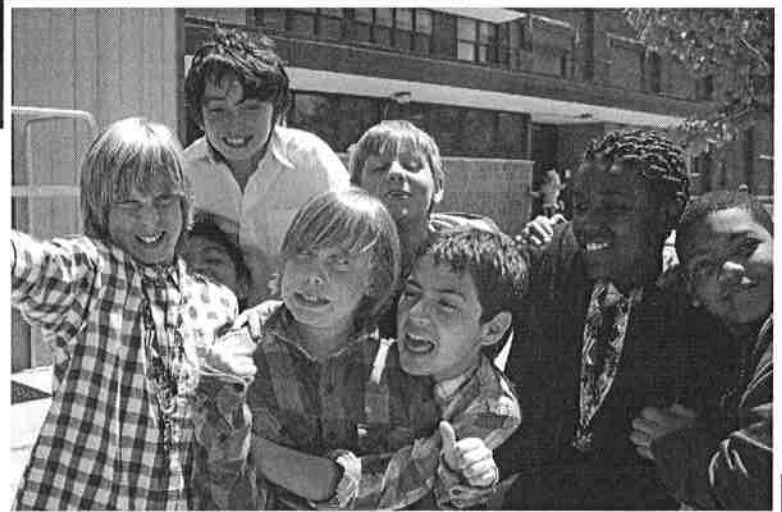

Remember, everything we do effects each other and our Earth-together we can make a difference.

Best wishes,
Ms. McNish

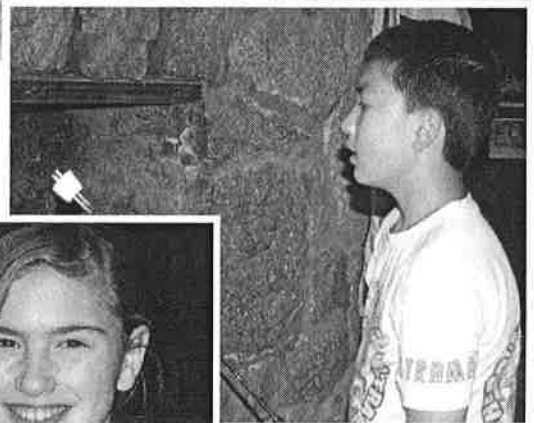

THE OMPS ON

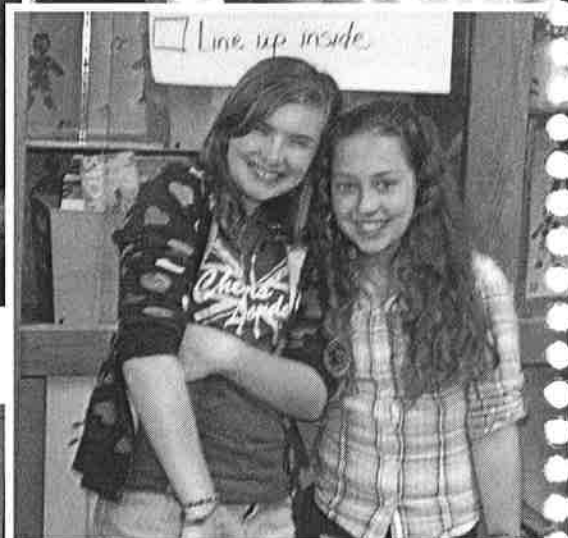

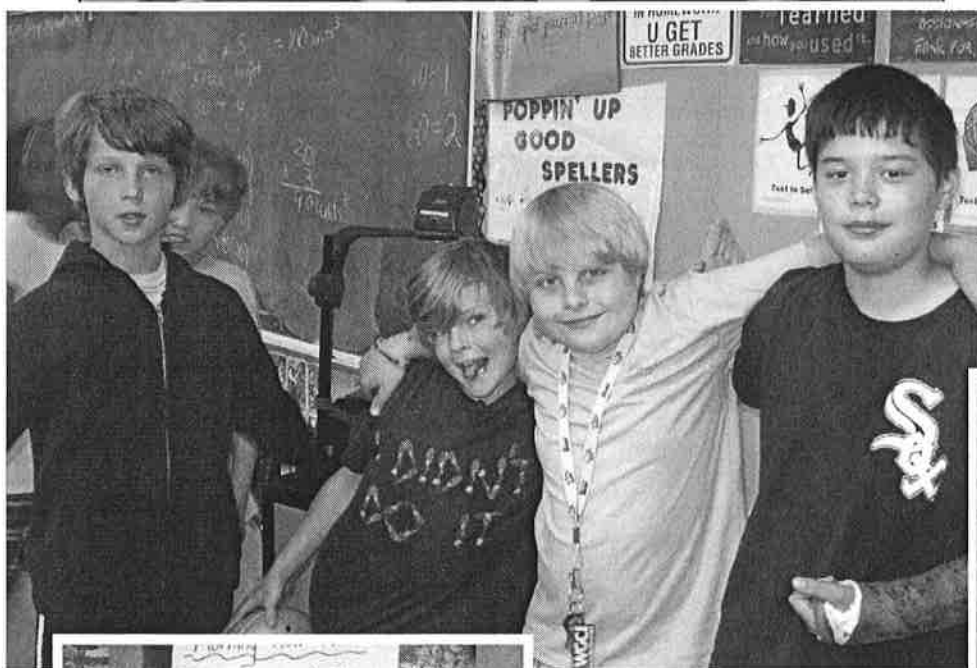

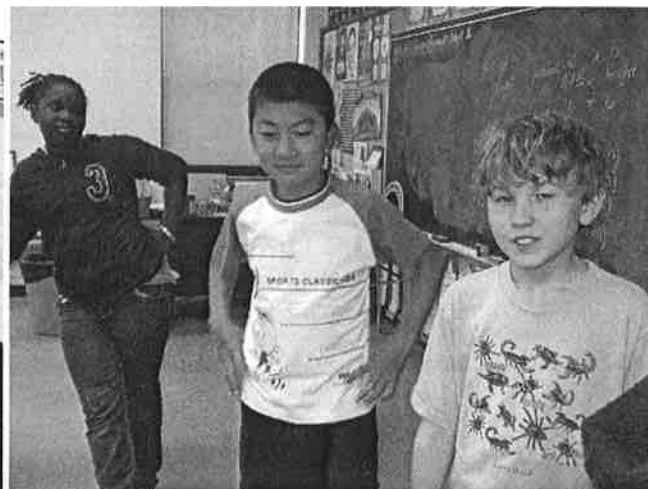

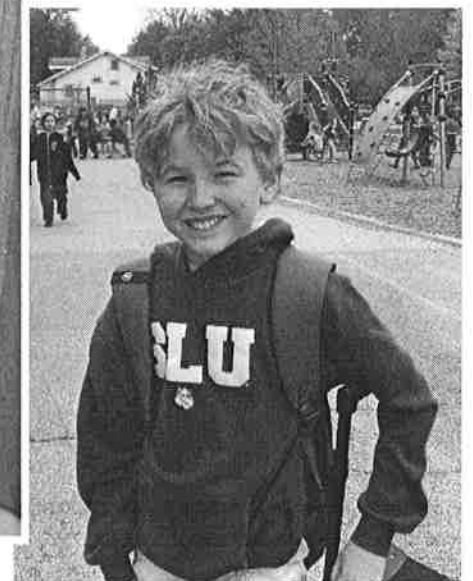

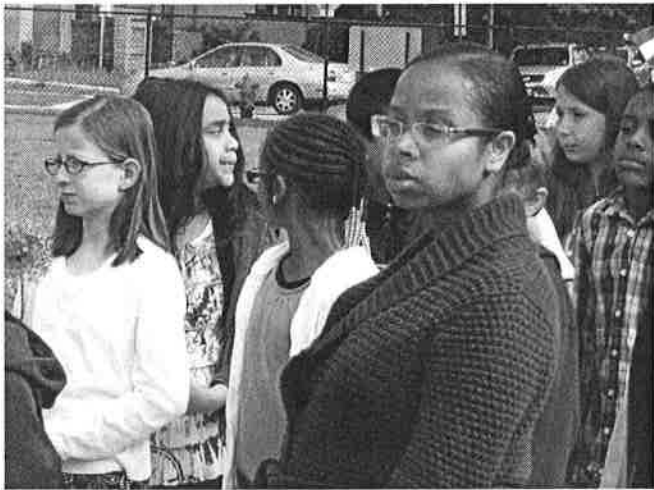

It seems like just yesterday you guys were piling into the classroom on the first day. I remember smiling at your excitement and eagerness to finally be 5th graders. Now it is time for you to move on... I wish you all the best at Brooks and beyond. Middle school is going to be an amazing experience for you. It offers so many opportunities for you to get involved and show off what you know. I hope that you keep all the friends that you need in your life and make new friends to fill the void of the ones lost. Remember to always try your best—don't settle for being average. Be better than yesterday. I'll miss you all. Visit when you can.

— Mrs. Thompson

SMITH

Queridos Estudiantes de Quinto,

There was a new person in class the first day, remember? She had butterflies in her stomach and didn't know the routine. But it wasn't a student, it was me. In the past year you have taught me so much. I now know the Lincoln routines. I know all about ISAT rituals, Gran Fandangos and Holiday sings. I also know who is an early bird and who gets crabby without enough sleep, who loves pizza dippers and who hates hot lunch. I know all of this because of you. You are terrific teachers.

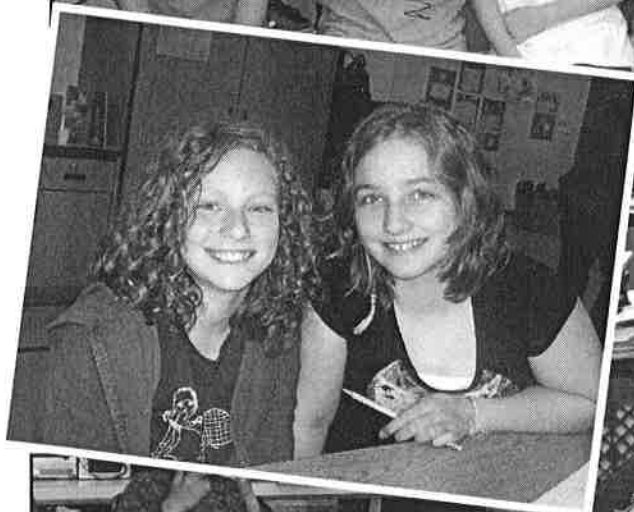

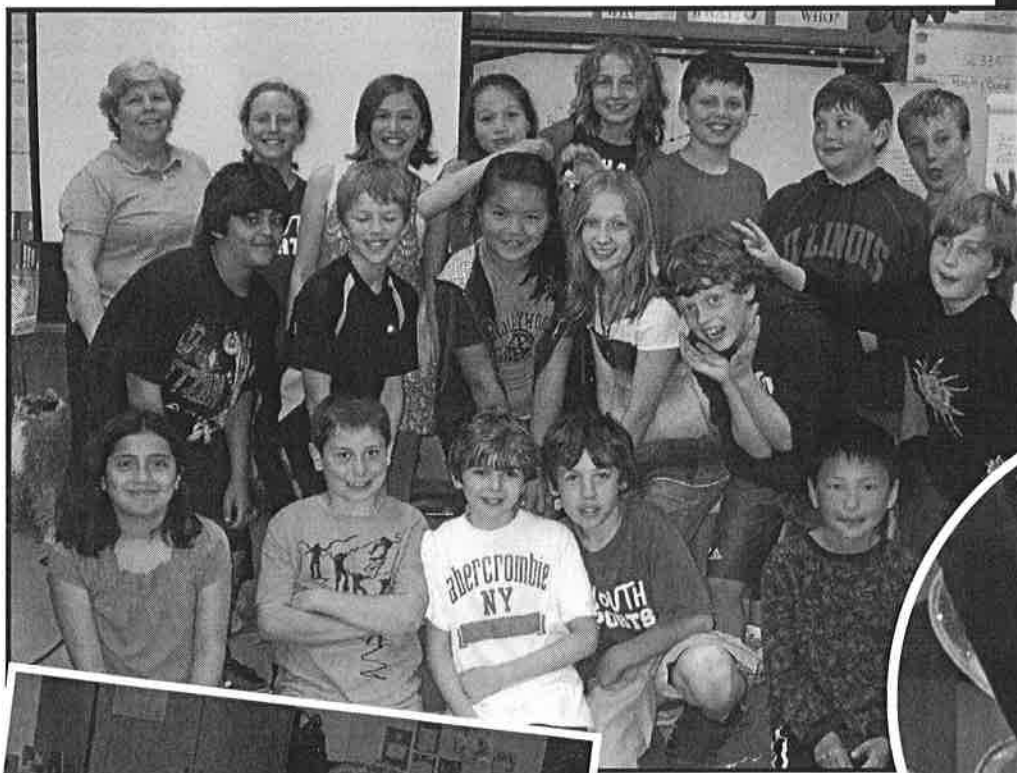

I also know much more. I know that each of you is kind, compassionate, smart and creative. I have seen how you take care of each other and how you hold each other accountable. You have been kind to me and held me accountable. Thank you.

As you head off to 6th grade, remember to be honest with yourself and each other. If you expect the best of yourselves, you will not be disappointed. You will go far!

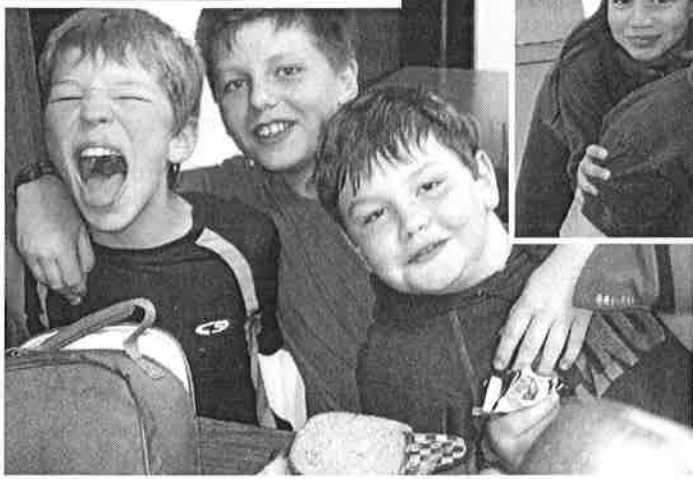

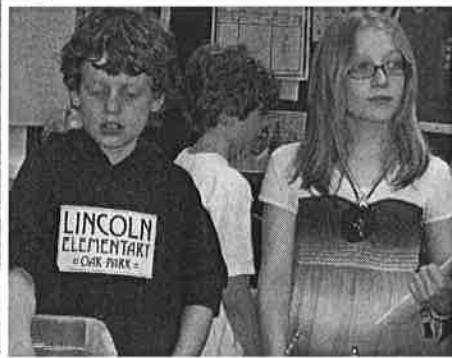

Con Cariño

The 2010-2011 yearbook staff members were involved in all aspects of creating this yearbook. They began by selecting the hundreds of photos you see in the book. Staff members also took many of the photos, designed art work and thought bubbles. They formulated the questions for both the Fads and Favorites Questionnaire and the Student Memory Survey. They designed the front and back covers. This was truly a group effort and we thank all of the students for their wonderful creativity and commitment to making this book and memory happen.
