I'm quiet, quiet by nature

Today I must speak up

About all my luck

Lincoln School has wonderful teachers

Teachers who look like me, teaching me to

Be all that I can be

Leaving Lincoln may be sad, but I'm not mad I'm glad

I've got memories, memories that will last

And as I grow, I'll remember and know

That Lincoln School helped me start the show

So take a bow, your jobs well done

You've helped plant the seeds and I'm the lucky one

- Darrington Payne

There once was a school named Lincoln

That took pride in getting kids thinkin'

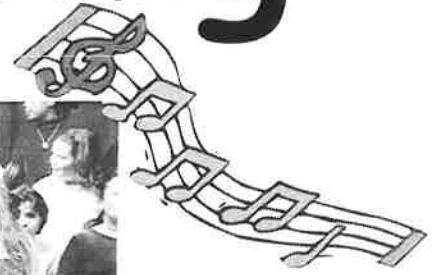

They did fun projects

And learned different texts

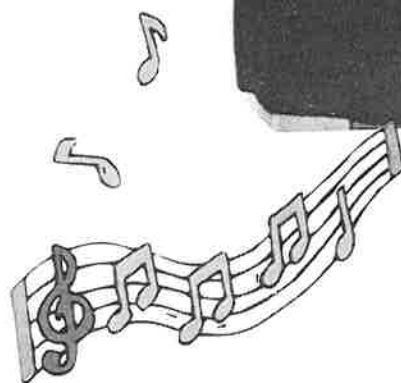

Those fun thinkin' kids from old Lincoln

Mrs. Godek

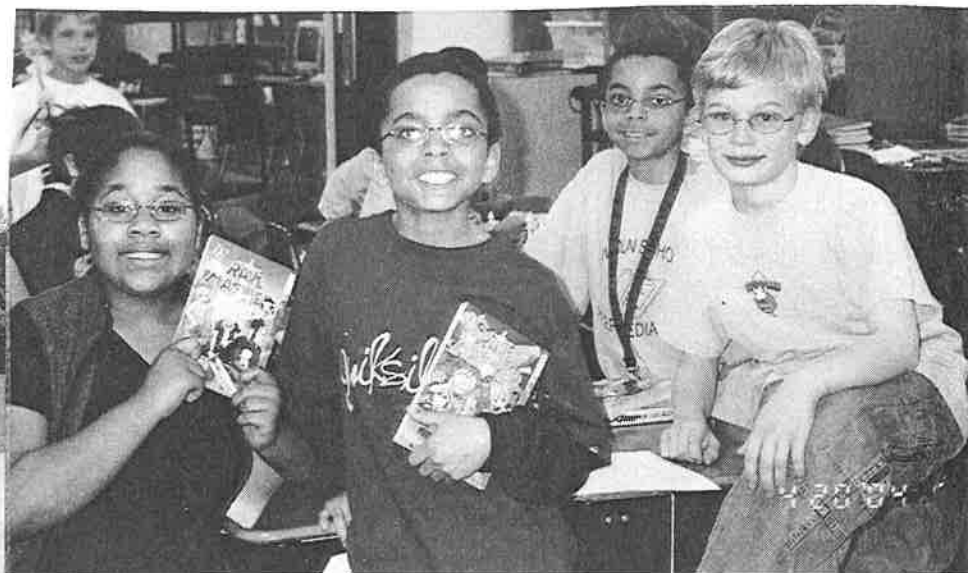

Good luck to all of you. Work hard,
enjoy life, and be happy.

Ms. Mrozek

★ Ms. Chase Vivas and Ms. Mrozek are so proud of your accomplishments in fifth grade. We hope that you will continue to demonstrate such enthusiasm and motivation for learning in the future. Also, continue to work through conflict peacefully. Try to understand and get along with others by continuing to learn about different cultures, traditions and their history. ¡Y siguen hablando el español! Remember, learning is a life-long process!

Mrs. Thompson

My wish for our fifth grade students is that they realize and reach their goals. Try your very best all the time! Also, make smart, safe, and positive choices throughout middle school and the rest of your lives.

Ms. McNish

I've had such a great year working with you! You are all wonderful students and fantastic kids.

I hope you have a marvelous time at the Middle School and take advantage of all of the opportunities they have to offer.

Continue to be motivated to do your academic best and make sure to be good to each other.

Come back to Lincoln and visit us.

Mr. Halter

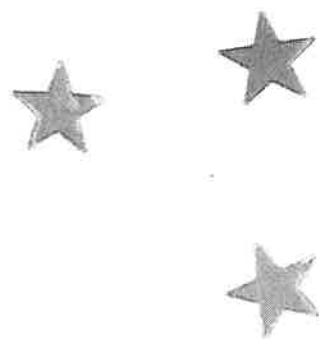

My wish for the fifth grade graduates of Lincoln, and especially those students who were in my class this year, is that they have happy memories of their time at Lincoln School. Taking the best out of every experience is an important life skill. We all want to build on the positive things that happen in our lives.

When we think about big events, like our outdoor education trip to White Pines, it's good to recall the little things that happened there. These little things are the bricks that build those positive memories. Perhaps the girls will recall their fashion show, in which all were included and everyone cheered for all the others. Maybe the boys will remember how they worked together at the quarry or the fun of playing volleyball and football during free time.

Whatever memories you have from this year, I hope they will be memories of the good things.

Presenting the Lincoln School Fifth Grade Class of 2004
