Farewell Sixth Graders

Return to Lincoln often.

We want to stay in touch with you as you make career choices and develop into young adults. Remember you will always be *"up at Lincoln"* kids.

Mrs. Dudzik

"Oh the places you'll go! and will you succeed? Yes! You will, indeed!

Kid, you'll move mountains!"

Dr. Seuss

Good luck to you!

Mrs. Fronk

Good wishes, good memories, good luck!

As your experience at Lincoln ends, I hope all of you have fond memories to look back on and that your futures bring you what you desire and work for.

Ms. McNish

Dear Sixth Graders,

It is always sad to see a group leave and go off to the Jr. High. We get to know each one of you and you are grown and gone. Some of you return to visit and share your Jr. High stories with us and that is always a delight. Then years down the road I catch glimpses of some of you on Oak Park Avenue or at Pans and you are tall and so very adult. Even though you think we will forget you - we won't. Please know that each and everyone of you leaves here with the best wishes of every person in the office. Good luck - and of course, always be nice to your school secretary!

Mrs. Bradford

Leaving Lincoln School marks the end of a very special time in your lives. It also marks the beginning of an even more special time. When you leave us, remember: You can succeed in anything if you put forth the effort.

Mr. Harris

To the 6th grade Class of 1998,

I'm going to miss you all. Best wishes and good luck in Jr. High.

Mrs. Wiedow

We will miss you! Best wishes in Junior High! Make us proud!

Mrs. Madura

Farewell Sixth Graders

Study hard & have fun,
Mrs. Holt

May each of you follow your goals and reach your dreams. Enjoy your Junior High experience and work hard for a successful adventure of learning. Good luck and best wishes.

MS. HAMILTON

Mr. Harrington

Dear Sixth Graders,

Remember all the friends & teachers you came in contact with at Lincoln School. Make education your #1 priority - your key to success in life. Continue to be a life-long learner and remember to give something back to the community once you've become a successful adult and a contributing member of our society. We'll miss you & best wishes always.

Mrs. Metropoulos

Dear Sixth Grade Graduates,

Congratulations! It has been a pleasure knowing you and seeing you grow to become the fine people you are. I have known many of you since you were just five years old! I've always had a special feeling for "the class of 1998", since my son is also a sixth grader this year! I hope to see many of you singing and playing music in junior high and high school. Good luck, have a great summer, and come back to visit!

Mr. Jacobson

Dear 6th Graders,
