I and the entire Lincoln Staff will miss you. We were lucky to have you as part of our Lincoln Family. Don't forget to

Ms. Hamilton

Well Wishes

My thoughts as you leave this place:
Take Lincoln with you everywhere you
go, the nurture, the laughter, the lessons
learned, the hard times, and the good.
Understand that as you grow so does
your reach, you are able to make change
happen. Remember to be the change that
we know will make this world work best
through fairness and honesty, through
hard work and perseverance, and with
peace in all you do.

We will miss you here, you have left indelible marks in our hearts, and we carry you with us as we go along. We will root for you in your struggles and success, and we will be here if you need some words of encouragement. Sometimes growing up is not easy but I am confident that you will each find ways to live strong and happy lives. Don't forget to continue to read and write and reach out to others.

With love and a happy heart, Mrs. Conmy

I am so proud to have known all of you. I wish you the best.

— Mrs. Slanina

Dear 5th Grade,
You all have taught me the
meaning of understanding...!
understand what it is to be
different, the same, greater
than and less than, equal to,
but not congruent, humble and
proud. Remember to make a
change and be productive citizens
in your world, while understanding
the meaning of: please, thank you,
and I am sorry. I will miss you all.
Mr. C.

Marvin Childress

Dear 5th Graders,

Thank you so much for being such a hardworking and caring class. You have been wonderful role models for our younger Lincoln students. Next year will be an exciting adventure for you! You will have many opportunities to meet new friends and explore new interests. This will be a great time to develop your personality and work towards being the kind of person you want to be. Have fun with this! And remember . . . there are always people to help you, if you ever need it. I will miss you.

Please come back and visit me!

— Ms. Keleher

Dear 5th Grade Class, It has been great having you in class during your time here at Lincoln. I hope you always remember your days here with great joy and pride. Good luck at the Middle School and beyond.

- Mrs. Madura

Well Wishes continued

Dear fifth graders, especially Chris, Emily, Sadie, Katie, Kendale, Eugene, Cortlyn, Fanon, Sophie, Jonah, Tommy, Donniese, Emma T., Elena, Emma B., Abe, Laney and Claire,

You have been a great class to have at Lincoln, and I feel fortunate to have looped with you for 360 days in the years 2004-2006. Do you remember Miss Mena, Miss Dudley, and of course the lovely Mrs. Jones?! You were fun students to teach, and it was rewarding watching you quickly become astute readers, clever writers, and brainy mathematicians.

We had some interesting field trips. Do you remember the horrible bus ride home through lower Wacker Drive from the Childrens' Museum at Navy Pier?

I remember that you had stupendous learning goals, and that our end-of-year picnics were loads of fun.

It's been so nice that many of you stop in and say hello and let me know how you're doing.

I wish for your years at Brooks and beyond to be happy and full of learning. Love and high-fives, Mrs. Zillman Dear Fifth graders,
You are one of the nicest groups
of boys and girls to attend
Lincoln in all my years here. You
work hard, you sing and play
with great musicality, and you
have achieved so much. This
has been possible because of
the kindness and support that
you show toward each other. I'll
always have wonderful memories
of the time we spent together.
Up at Lincoln.
Sincerely,
Mr. Jacobson

Dear 5th Graders,

You are some of the kindest and brightest young people that I have ever worked with. Each one of you is truly special. As you continue on your life's journey, remember to live each day to the fullest and share your many gifts with others. It has been a joy to work with you. You have taught me many things. You represent the very best "UP AT LINCOLN".

Love, Mrs. Thomas

To the Class of 2009,
May you always make your dreams
come true. Aim high and reach for
the sky! Remember you can do anything when you believe in yourself!
Good Luck and Best Wishes!
Mrs. Wilson

One of my favorite books is "Everything You Need to Know You Learned in Kindergarten". One of the thoughts is that "when you go out into the world it is best to hold hands and stick together". So as you are venturing forth into new experiences also remember who your friends are, take care of each other, and value the friendships you now have and the new friendships to come. I wish all of you the very best and much happiness in all your adventures.

With love,

Mrs. Schmidt

Dear 5th Graders,
As you leave Lincoln to continue
on to the Middle School, the
wishes of all the staff members
here at Lincoln go with you. Take
with you all you have learned
here, the love and support of our
staff and the friendships of your
fellow students. My wish for you
all is that you continue to love
learning and that you will always
respect your teachers, friends and
yourselves. To each and everyone
of you, I wish the best that life has
to offer.

I will miss you, Mrs. West To all of my "3rd Grade All Stars" Class of 2009,

I can't believe the time has come to say so long..... Well, before I do that let me share a few parting words. When I came into my new room that summer in 2006, to get ready for my first class ever, a nervous excitement filled my heart. I couldn't wait to meet you and start the year. Then the first day of school came – your first day of 3rd grade, my first day as a teacher!

That year was filled with so many lasting memories! I remember our morning trivia, talks, endless laughs, Friday Free and lots of lattice. Amazingly we learned so much that year! And now as you take yet another step toward your bright futures and dreams, know that you will all have a very special place in my heart.

Please keep in touch and stop by to share your new adventures. So remember me every time you hear "Take Me Out to the Ballgame" and I'll always remember you as my "Shining Stars".

Good luck and keep making all of us at Lincoln proud!

Love always, Mrs. Wilson

Señora Chase Vivas

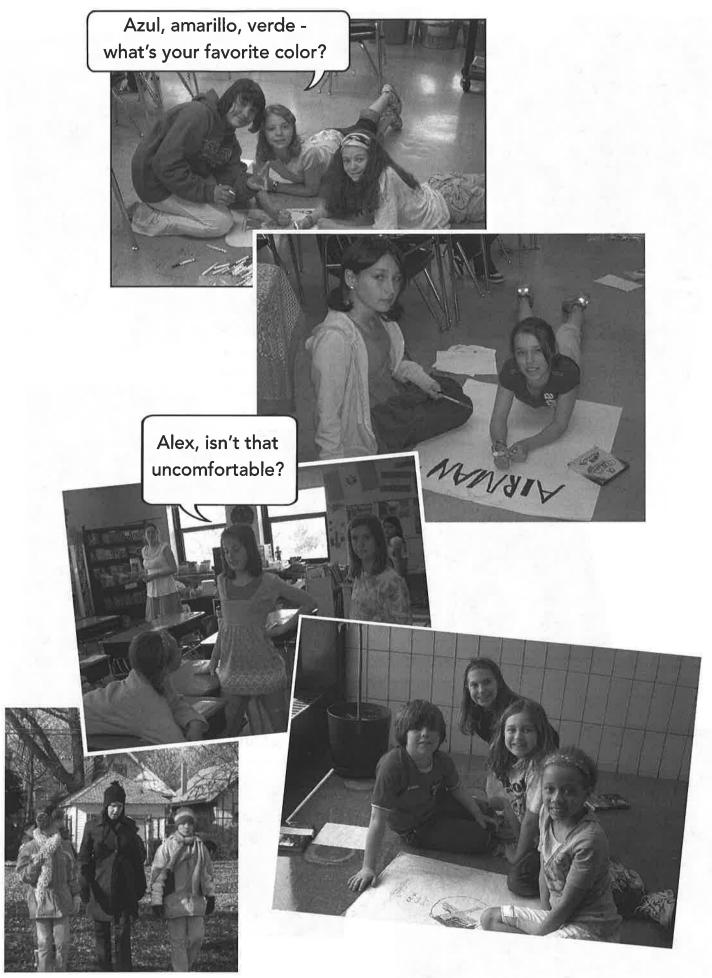

To our dear 5th graders,

You are an energetic and hard working group. You have accomplished a lot in 5th grade, from raising money with the Pasta Dinner to singing a rap in Spanish at the Holiday Sing, to dissecting sheep eyeballs to the "Danza de los Viejitos." Individually, you have so many different talents to share with the world. We hope you will make thoughtful choices as you make your way. Remember always - SÍ SE PUEDE!

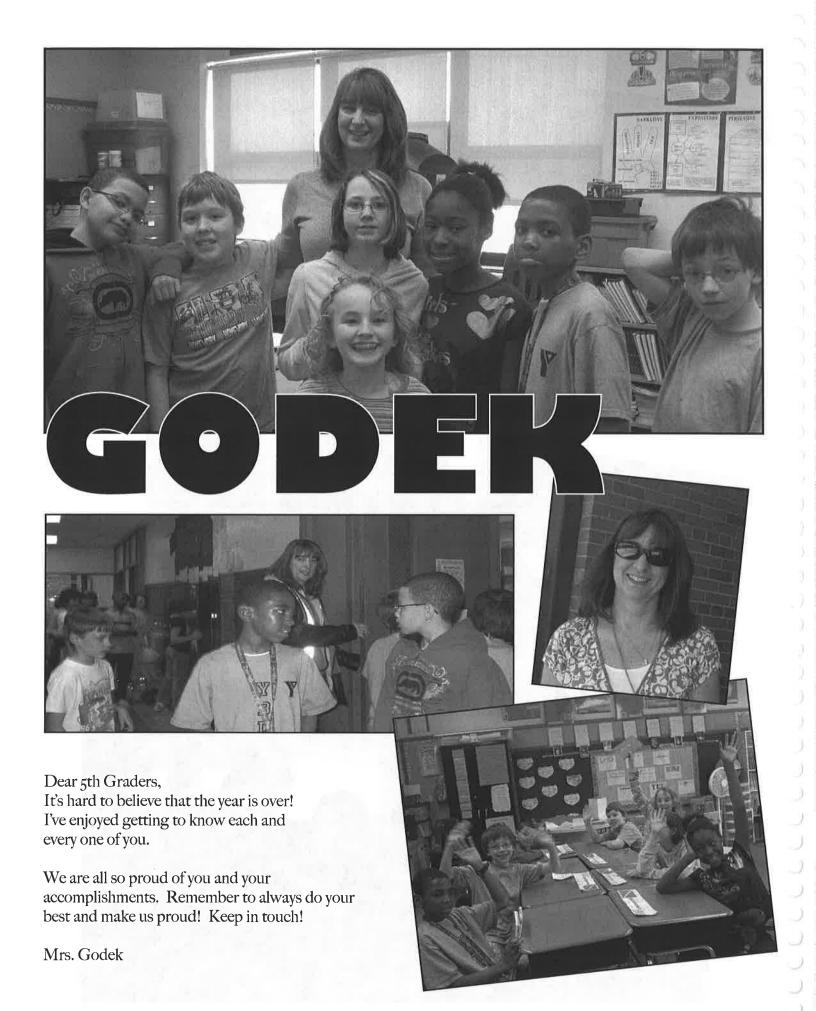

We wish you the best in 6th grade and beyond! Keep in touch with us up at Lincoln!

Sincerely, Ms. Chase Vivas and Ms. Hutchinson

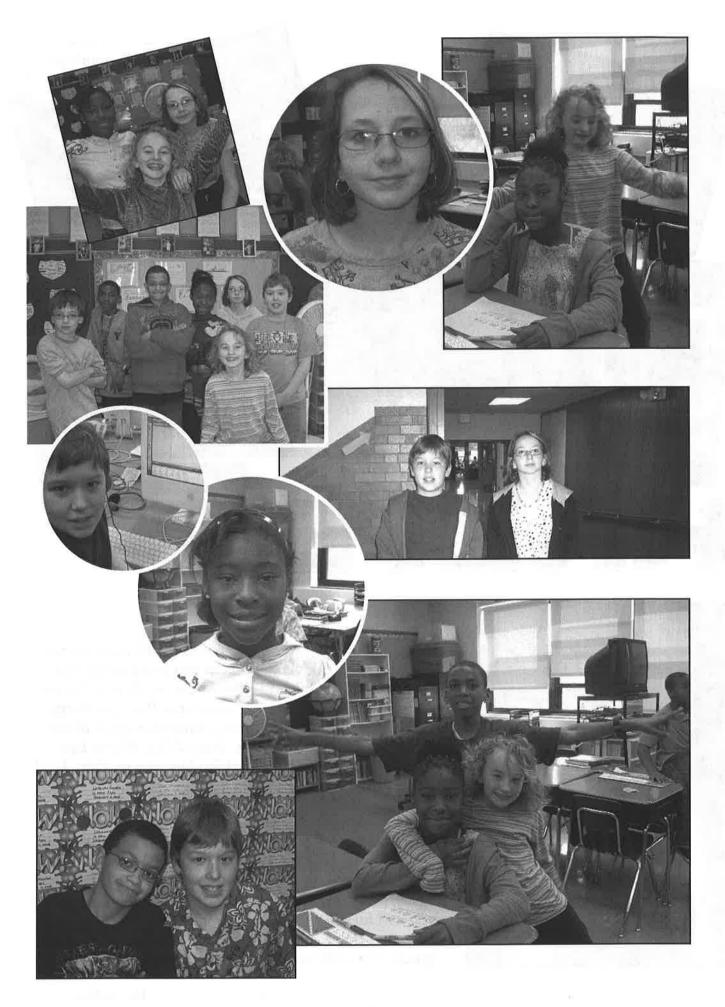

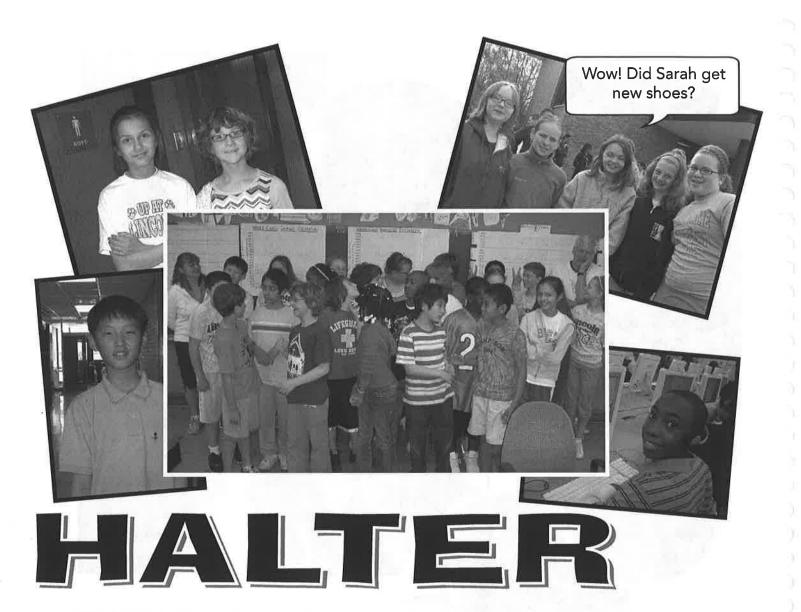

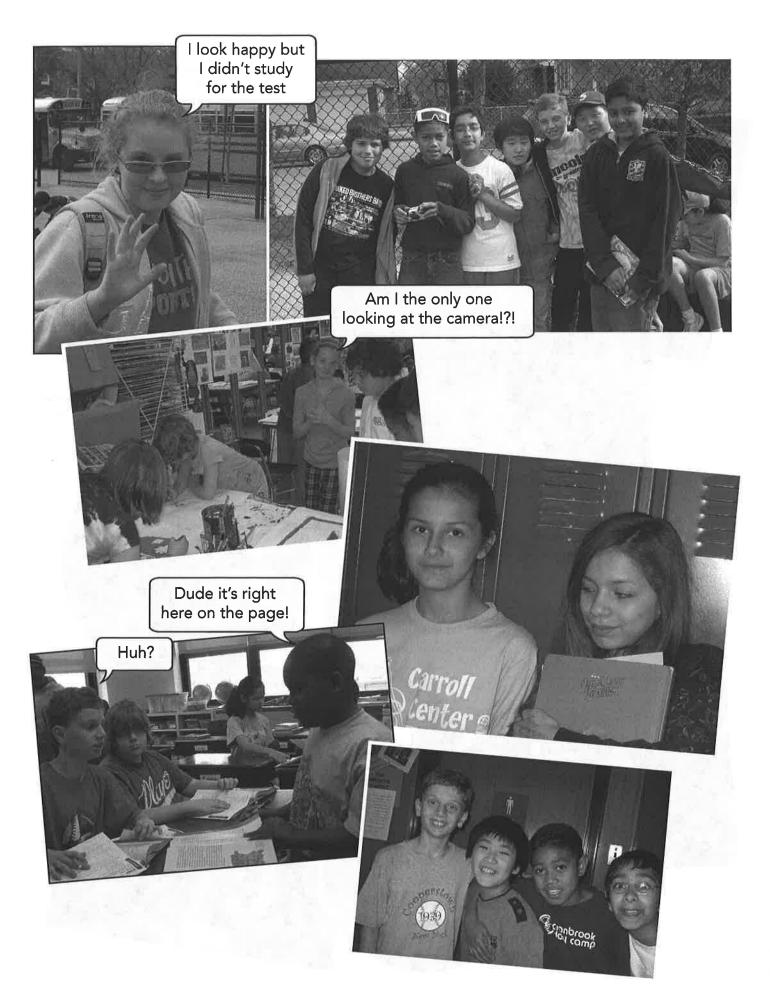

To the students of Room 312,

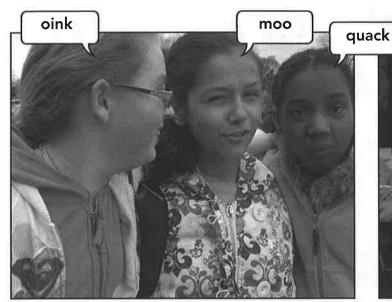

So many thoughts come to mind as I think back on our year together, but I know that as the years go on you and I will find it difficult to remember much of it. So my first wish for you is that you remember the best things that happened. I hope you will remember some of our highlights like RoomQuakes, Stars Video, Sheep Eye dissection, Wallcology, Social Studies play reading, Math white board fun, etc.

We worked hard and we laughed together. Sometimes you thought I said tomato instead of tomorrow. If you were absent I was always glad to see your (you're) back.

Lastly, remember to keep the good-natured respect that you had for me and for each other. More than anything else, that character trait made the kids in room 312 a group that I will never forget.

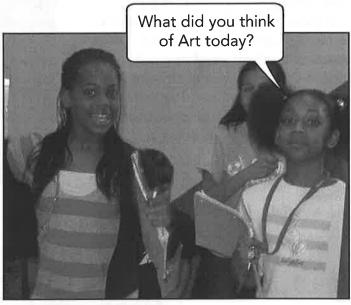

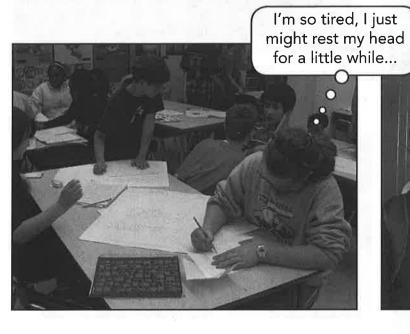

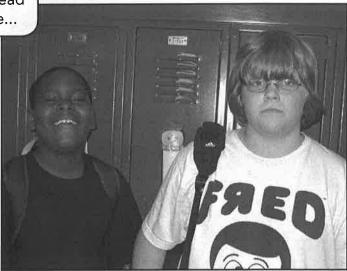

McNish

To a wonderful group,

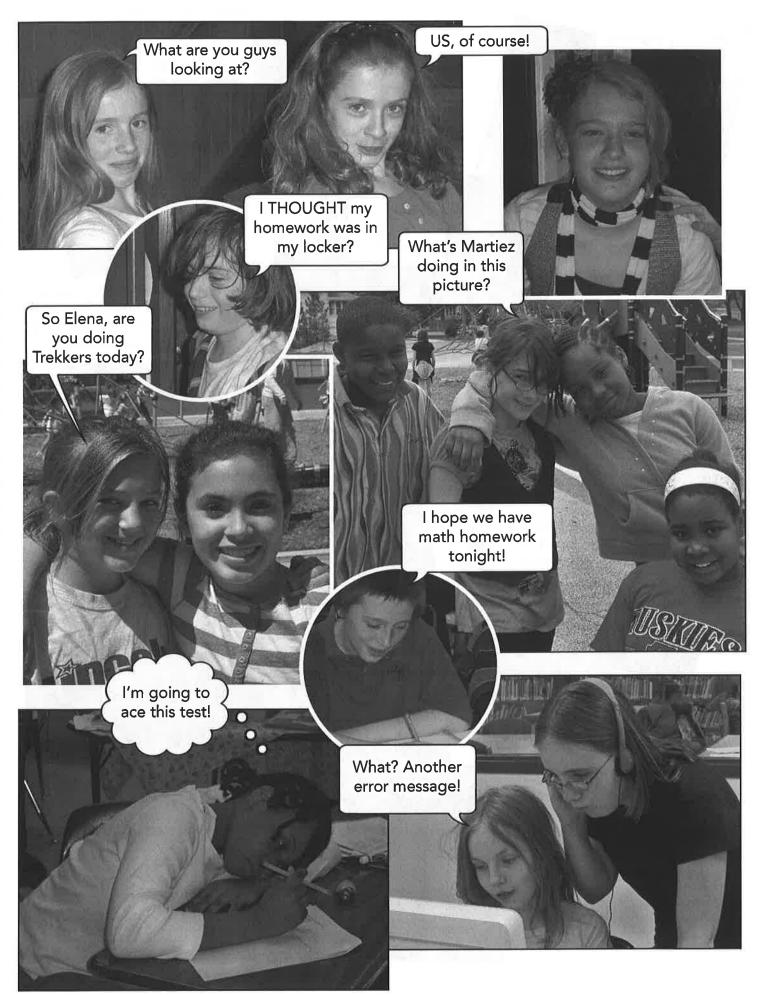

I feel very fortunate to have been your fifth grade teacher and I will always remember all of you. I was continuously delighted by your humor; I marveled at your compassion for all and your passion to learn. Continue with these essential qualities and you will have a fantastic time at Brooks and throughout your lives. Remember, always stand up for what you believe in and know you can make a difference!

Fondly, Ms. McNish

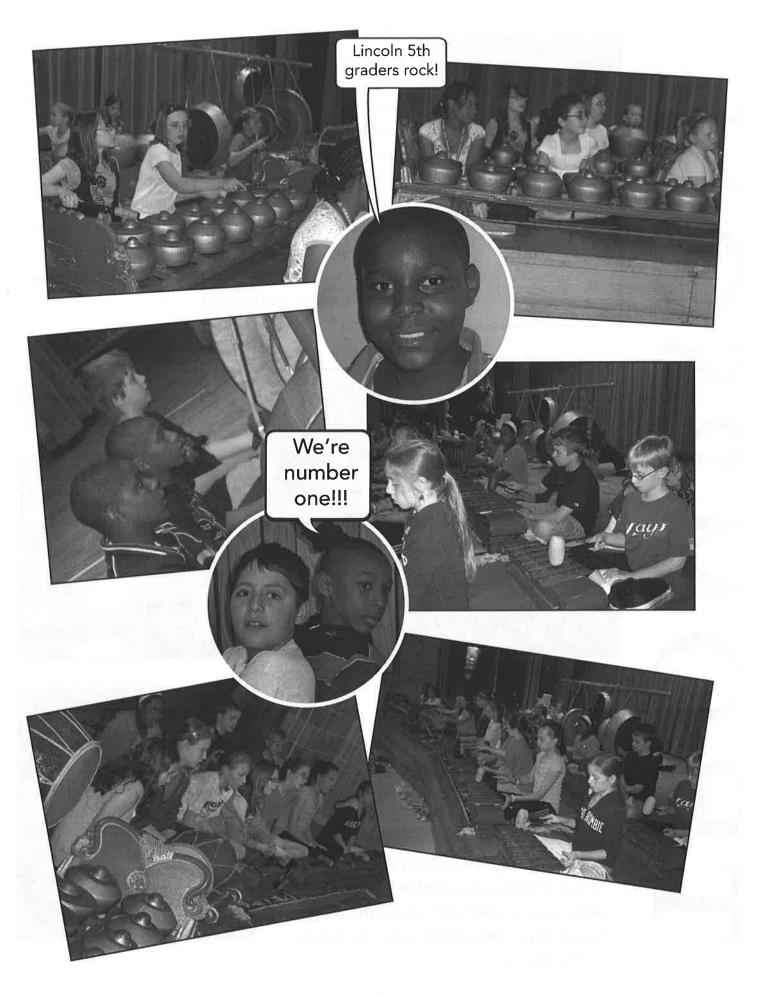

Dear Fifth Graders,

Each year it gets harder to say good-bye to the 5th graders. This year is no exception. I know that the joys and new experiences that you will soon face will be worth the good-byes you have to give to Lincoln School after so many years. As you venture off, I want you to continue to make good choices for yourself and others. I'm glad to have known each of you and it has been a pleasure being your teacher. Please come visit, you are always welcome. Good luck and best wishes at the middle school and beyond.

- Mrs. Thompson

Dear Fifth Graders,

Wow, another year has gone by! I have had such a great time and a lot of laughs with you guys. It's been fun getting to know most of you over the past two years and for those of you who joined us this year, it seems like you've been with us since day one. I'm going to miss each and every one of you. I hope you come back and visit when you can and I wish you all the best of luck at the middle school and in the future.

The 2008-2009 yearbook staff members were involved in all aspects of creating this yearbook. They began by selecting the hundreds of photos you see in the book. Staff members also took many of the photos, designed art work and thought bubbles. They formulated the questions for both the Fads and Favorites Questionnaire and the Student Memory Survey. They designed the front and back covers. This was truly a group effort and we thank all of the students for their wonderful creativity and commitment to making this book and memory happen.
