LINCOLN 5TH GRADERS ROCK!!!

**Lincoln Lions Yearbook
2014-2015**

Abraham Lincoln Elementary
Oak Park, Illinois

Well Wishes to the Class

Dear Lincoln 5th Graders,

I cannot believe the time has come for you to begin your journey at the Middle School. I hope your experience at Lincoln will always be remembered fondly. I wish you all the very best next year and beyond. I am so excited for your futures. Fondly,

-- Ms. Caradine

¡Buena suerte en Brooks!!! Good luck 5th graders at Brooks!!
I will miss you all!!!! Remember, the future is yours!!
Visualize your dream and it will become a reality!!
Hasta pronto!!!
Sra. Ruiz

Dear Wonderful 5th Graders,

Oh my goodness, it was just a blink of our eyes and you grew from tiny little kindergarten students to the strong and bright young ladies and gentlemen that you are. As you leave us here in your elementary home, please keep us with you as the early school experience is where so many life lessons are taught.

It is put into practice now, out there in the larger world. All of those lessons about do unto others, put yourselves in other peoples shoes...all of those lessons that we hope will stick in your hearts and spirits so that when you face adversity, (we all do), you will know how to best handle it. When you see someone else being treated poorly, we hope it will be our beloved Lincoln Kids who will be UP-STANDERS and not bystanders, that you will stand up for those most in need of your assistance. Being popular takes on whole new meanings as you go to Middle School, so we hope that you will make being an UP-STANDER, a popular choice, that being bright and funny and energetic, talented and kind, and thoughtful, and brave and caring, will be words that others use when they describe your character.

Keep your role models in mind when it comes time for you to make tough choices, and if you lose sight of those role models, open a book or do some research on those who make a difference for the GOOD. And for goodness sakes, don't forget that you are role models for others, kids that look to you to show the way for them. Show them the right way and remember that someone showed you the right way.

We will take you with us as well, you will always be in our hearts as we send you off to Middle School. We will see you as you move on to the next grade and on to high school, and we will remember those things about you that make you special to us. Let us know how you are doing as you go along, we want to know.

Please do your best and put extra effort into that which is difficult. It will be worth the extra time.

I will miss your sweet selves but I will be glad to know that you are out there making a difference and growing into responsible young adults.

Love and hugs,
Ms. Conmy

This year was a great first year for me at Lincoln. A big part of that was due to the wonderful fifth-grade class. There are so many brilliant minds, creative thinkers, and overall wonderful children in this year's class. I hope you have learned as much from me as I have learned from you. I also hope you continue to be determined to be your best and help others be their best.

Mr. Kline

"To a great group of 5th grade students: Lincoln will miss you! I'll especially miss those that I had in 3rd grade who made it such a fun and memorable year. Thanks for being so fabulous! Come back and visit soon!"
Mrs. Meisinger

Dear fifth graders,

To my first and second grade loopers and all the rest of you too:

I wish for you the best at Brooks! Come back and visit, and take all you've learned at Lincoln with you, and not just the academics. Remember to

Be Responsible, Be Respectful, Be Helpful!

Love, Mrs. Zillman

May all your future academic endeavors be as fun and challenging as those you've had at Lincoln. It has been very rewarding and interesting spending the past 6 years watching you grow and learn. Now remember to work hard, be fair and just and make the most of every day.

Best wishes for a
lifetime of
learning and
peace,

Ms. Priceman

To the deep, dynamic, daring and delightful class of 2015,
Your energy and passion for learning about your world and each other made me smile on a daily basis. Go rock your middle school years with an open mind and heart and unwavering confidence in your awesome self.
Keep in touch
Much love, Ms. Lindsay

Hi, 5th-graders,

In some ways it was a long time ago that you were in 1st and 2nd grade, but in other ways the time flew by. I wish you all the best at Brooks, and hope to see you at the carnival next year!

Take care,
Mrs. Hayes

To all our wonderful 5th graders,
As you start your next journey at Brooks Middle School, remember all the amazing things you have done with your years at Lincoln. I hope that when you think of Lincoln you smile and know you are always welcome. Always strive to do your very best and reach for the stars, you can accomplish anything!!!
Have a wonderful summer and we will miss you all!

Love, Mrs. Primak

Dear 5th Graders,
Best of luck in middle school!!! I am confident that all of you will do wonderful things and create memories that will last a lifetime!

Sincerely
Miss Hofstetter

I have known most of you since Kindergarten...that is six years! It has been a pleasure watching you all learn and grow. I wish you all nothing but the best and I hope you all continue to cultivate a love of reading. Enjoy middle school and high school. The journey goes fast!

~Mrs. Frame

It's been an exciting year in band!! From walking down the Red Carpet, to celebrating Memorial Day outside, we have had a blast. I wish you all the best of luck, as you hopefully include the arts in your middle school experience.

Never forget: swab your instrument every day and practice your scales!!!!

Ms. Vogt

Un Olé grande to my 5th graders this year!!

*It has been a great pleasure to be your **maestra de español** this year. All of you have worked so hard on your Spanish and have surprised me with your beautiful stories in Spanish but **hay un problema**. I am not going to miss you wait WHAT?...**Qué ridículo!!!** Of course and **Es obvio** that I will miss you very much!!! Señora Jacoby **está triste** Good luck at Brooks. Come and visit me at Lincoln and don't forget to renew your **pasaporte** specially if **tú quieres ir a un** Hispanic country and practice your **español**.*

Señora Jacoby

Congratulations to the 2015 graduating class! It was a great joy for me to spend my first two years at Lincoln with some of you. In fact, if you were at Lincoln in first grade there is a very good chance you at least spent some of your time in my room for Reading Roundup! What fun that was! I have loved watching you grow from wide-eyed Kindergartners adjusting to a full day of school, into thoughtful, kind, and passionate world-changers.

Continue to learn, love, and please come back and tell me all about your latest adventures! Your Lincoln family will continue to cheer you on and charge our new students to follow in your footsteps. Best of luck to you in middle school and beyond!
Cheers to you!

Mrs. Knox

As you move into middle school remember what Winnie the Pooh said:
"Promise me you'll always remember: You're braver than you believe, and stronger than you seem, and smarter than you think."

Mrs. Smith

Dear graduating 5th grade students,
It has been wonderful teaching you during your time here at Lincoln. You have so many amazing experiences ahead of you - make sure you always do your best and celebrate every achievement! Remember, no matter where you go, you will always be a part of the Lincoln Pride! Best of luck at the Middle School and beyond!

Mrs. Madura

Congratulations and best of luck to all of you! I will never forget you guys and hope you have a wonderful experience at Brooks and beyond! Please do not forget to come back and visit!

Love,
Ms. King

To the Lincoln 5th graders:
There are moments in our lives when we are faced with making an important decision... that decision will have an impact on at least one person other than yourselves.
Decisions are choices, and sometimes you only get one... make certain that you make that decision count for all it's worth... make certain you can be proud of your decision, as I am proud of all of you. Mr. C.

Good luck 5th Graders,
Congratulations on everything you've accomplished and good luck with your dreams in the future.

Joan Slanina

To the Fifth grade class of 2015,

I can't believe how quickly the time went. You were my first class here at Lincoln and what an amazing class you were. Fun, energetic, kind and creative are just a few of the words I would use to describe you as a class in Kindergarten. I remember our trip to the pumpkin farm, the letter of the week, the Thanksgiving feast, our Dr. Seuss green eggs and ham breakfast and the 100th day of school celebration. You did a lot your first year here and over the years I have watched you grow and become fun, energetic, creative and kind fifth grade leaders. As you look back at your time here at Lincoln, I hope you remember all that we have tried to teach you but most of all remember just how special you are. As you move on to middle school, I wish you the best and remind you to cherish the friendships you've made and the many memories you have as a Lincoln Lion. As Dr. Seuss wrote,
"Congratulations! Today is your day. You're off to great places! You're off and away! ... And will you succeed? Yes! You will, indeed! (98 and $\frac{3}{4}$ guaranteed.) Kid, you'll move mountains!
You're off to great places! Today is your day! Your Mountain is waiting. So... get on your way!"
I am proud to have been your kindergarten teacher and I know you will continue to do great things Lions!

Best Wishes,

Dear Families of room 315,

As this school year comes to an end, and we prepare for our summertime adventures, I wanted to share my appreciation for you all, and to express how honored I am. I often liken a year of learning to a puzzle piece in your "life puzzle." If we look at our entire lives, they resemble puzzles, and everything we do contributes pieces to that puzzle.

Throughout this school year there were moments when that puzzle piece did not seem as if it would fit. There were moments when it appeared as though we would have to bend and/or cut that puzzle piece in order to make it fit. However, in the end, we did it...the piece fits. Collectively, your child, you, the school, and I were able to maneuver those pieces into what will ultimately become your child's masterpiece...their magnum opus. I would like to thank you for allowing me to take part in something much greater than myself.

As you and your son/daughter move academically, socially, emotionally, and physically forward, please remember to take periodic moments to take it all in, and realize that it's very much possible that tomorrow could be better...no matter how difficult today seems.

I wish you all the very best, and I am proud to be able to say that I was your son's, or your daughter's 5th grade teacher.

Thank you dearly,

Marvin Childress, "Mr. C."

Dear Class of 2014-2015,

What a memorable year we've had!

Together, we've laughed, cried, and learned. I will always remember you as the group of kids who: shined with your poetry, enthusiastically investigated your world, and cared deeply about people and other animals. I loved the way you embraced our class pets and the care and attention you offered them. I hope I instilled in you a curiosity to wonder, and a drive to question. With this spirit of inquisitiveness, you can continue growing, gathering knowledge, and, just possibly, changing the world along the way!

Simply, be good people, do good things for our planet and for others!

With fondest wishes,

Ms. McNish

To All 5th graders and Especially Students from Room 201:

You are now ready to embark new challenges in life! You have played very important roles as students at Lincoln School that makes our school the BEST in our community. We will miss you terribly and it has been really fun to have known all of you. Even though for some of you- we only "chat" in passing our hallways. All of you have shown kindness, respect, responsibilities and helpfulness to one another. Continue to do well in school and wish you all the best. This is my last year of teaching and I will also "graduate" from Lincoln School as a teacher. Thank you for allowing me to "touch the future". Congratulations to your parents who have supported and love you all these years. You will make great leaders someday and I hope that whatever wisdom we have imparted with you all that you will stay positive, especially when confronted with obstacles in life. Education is the best gift you can give yourself!! Hitch your wagon to the stars...God bless you always with good health, success and much happiness. Excellent job with the Memorial Day program, the Talent Show, and Bamboo Dance. We are very PROUD of your many accomplishments.

**With much love and affection,
Mrs. Miraflor Luistro Metropoulos

***Dear 5th Grade Class,
It has been a pleasure being your teacher this year.
We had really fun times and made lots of memories.
Your spirit and personalities will always be in my heart.
I hope that each of you will come to visit and keep us
updated on how well you are doing in middle school and
beyond. I can only imagine the greatness that you will
bring to the world. My only advice is to put in your best
effort in all you do. Things will not continue to be as
easy as they have been. But, what truly separates winners
from losers in life is the feeling that you gave it your all
and that you are proud of what you brought to the table.
Mrs. Thompson***

READING Olympics

Reading Olympics is a literature enrichment program sponsored by School Districts 90 & 97, Oak Park Public Library, and River Forest Public Library, as well as several private schools.

At the beginning of the school year, all 5th grade students are invited to participate in the Reading Olympics program. Students form teams of three and agree to read the nine books among themselves. There are three competitions: Fall, Spring, and Extreme. The first two competitions cover nine books apiece. The last competition covered all 18 books from the previous competitions.

Mathematical Olympiads for Elementary and Middle School Students (MOEMS) Grade 6

Lincoln students participated in the Mathematical Olympiad for Elementary and Middle Schools (MOEMS) this year. They were among the nearly 135,000 students and 4,600 teams worldwide to participate this year in the Math Olympiad Program. The students participated in a series of five monthly contests consisting of five very challenging problems each.

The following students participated in MOEMS this year and will receive the Math Olympiad Embroidered patch:

Connor Hoehne
Halle Rigden
Mimi Yasuda
Zoe Klein
Patrick Carmody
Ania Sacks
Leo Gonzalez
Jude Hamer
Matthias Maser
Madeline Gerona

Thaddeus Schultz
Ellie Kate Loftus
Rachel Czuba
Maeve McAndrews
Cerys Hattersley
Jacob Delaney
Sam Richards
Theo Harlan
Grace Helms
Sam Taylor

The silver pin is awarded to those students in the TOP 10% of all students tested worldwide. This year at Lincoln we have six students who will receive this prestigious award. Students will receive a silver pin and a MOEMS patch.

5th Grade Global Virtual Classroom (GVC) Project coordinated by Mr. Kuntz.

The Global Virtual Classroom Contest is a global team cooperation and website-building activity. Using Internet technologies to communicate, teams of schools from around the world work together to build a website.

The Global Virtual Classroom (GVC) Project emphasizes collaboration and telecommunication throughout the world. Students learn effective communication with all ages and cultures. Students celebrate their varied talents and combine those talents to create a product greater than any one individual could create alone. They learn how to learn, and are taught new software products and educational themes.

Sixty-three students from Lincoln Elementary School recently competed in the [Global Virtual Classroom Contest](#). The student teams who participated in this project had their entries judged on a number of criteria, including content, presentation, collaboration and a helping focus. The helping focus encourages students to demonstrate achievement of a helpful objective (i.e., personal, social and/or environmental responsibility) or support for a worthy cause.

This year's Lincoln Elementary School's fifth graders won a merit award for exceptional multimedia for the site [Endangered Animals of the World](#) (<https://sites.google.com/a/gsbi.org/gvc1407/home>). The class partnered on the project with students from Mississippi and Russia. The teacher leader for the team was Mr. Matthew Kuntz.
