**Lincoln Lions Yearbook
2011-2012**

Abraham Lincoln Elementary
Oak Park, Illinois

Well Wishes to the Class of 2012

I wish you the very best as you move on to the Middle School. It has been a pleasure and gift watching you grow throughout the years. Always strive to be the very best you can be! Never Give Up! You will be missed...so visit often.
-- Paula Caradine

Dearest 5th Grade Students,
Seeing you leave this place will be a bitter-sweet experience, bitter because we will miss your daily presence here, but so so sweet because we have watched you grow and change and ready yourselves for this next step. What a wonderful next step you are taking, middle school.

As you leave Elementary School, remember to take Lincoln's lessons along with you. As much as you leave your mark with us, we hope that Lincoln School leaves a mark on your heart and that you share what you have learned about perseverance, teamwork, tenacity, and hope. We hope that you remember your early start here and take those tools and experiences with you to help your next school experience be a positive one.

Remember to reach out and help those in need and to stand up for what is right, even if you are standing away from the crowd. And likewise, if you need a hand remember to reach out and ask for help...we all need help once in a while.

Please make sure that you spend time outdoors, read books, write stories/poetry/letters/lyrics, practice your math, listen to music, eat healthy, and do your personal best in all you do.

The Best of Luck,
Ms. Conmy

Congratulations graduating 5th graders!
It has been a true pleasure having you in physical education class while you were here at Lincoln. I know you will do great things at the middle school and beyond! Always remember your Lincoln Lion Pride - best wishes for everything you do in your bright future!

-- Mrs. Madura

Dear 5th Graders,
You did it! You are on your way to middle school! I could not be prouder of all of you. You are a wonderful group of kids, and you will do great things in life. Come back and visit! Best of luck.

To my group of 1st and 2nd Grader Loopers – I cannot believe that you are already leaving Lincoln. I loved, truly loved, being your first and second grade teacher. You were such a fun and energetic class. I have many memories of our group; I know you do too! => I will miss you guys a lot. Please come back and visit me.
Love,
Mrs. Carrera (Ms. Barrera to you guys!)

Dear Fifth Grade Students,

It was wonderful having you here at Lincoln. I've enjoyed watching many of you grow from kindergarten up to fifth grade! Please continue to be role models and set good examples in middle school and beyond. Come back to visit us here at Lincoln.

Mrs. Thompson

Dear 2012 Fifth Graders,
Even though none of you were my 1-2 "loopers", please know that I wish you the best at Brooks! Remember all the positive things you've learned at Lincoln, not only academics, but how to be kind, generous, and inclusive. "Be Responsible, Be Respectful, Be Helpful".

Sincerely and fondly,
Mrs. Zillman

Dear 5th graders,
I wish you the very best as you say your final good-bye to all of us here at Lincoln. We will definitely miss your presence here at school. I have enjoyed meeting and working with you when I had you in 4th grade. You have matured into wonderful young boys and gals. Continue to strive higher in life and try to remember everything you learned here and the friends you made. Always do your best, help someone in need and think positive thoughts. I wish you much luck in the future! You all have a "special" place in my heart and I hope you will come back in the near future and tell me all of your wonderful accomplishments. UP AT LINCOLN!!

With love and blessings,
Mrs. Miraflor Metropoulos
4th Grade Teacher

Buena suerta en Brooks!
~ Señora Jacoby

It's always amazing how fast the time goes, we'll miss all of you and wish you the best!
Joan Slanina

Dear Fifth-Graders,

I hope you learned a lot while you were at Lincoln. Best wishes to all of you as you begin a new "page" of life at Brooks!

Sincerely,
Mrs. Hayes

Dear 5th Graders,

I hope that you continue to shine as you embark on your new journey to Brooks and beyond!

All of you are so talented and have accomplished so many things. We are all very proud of you!

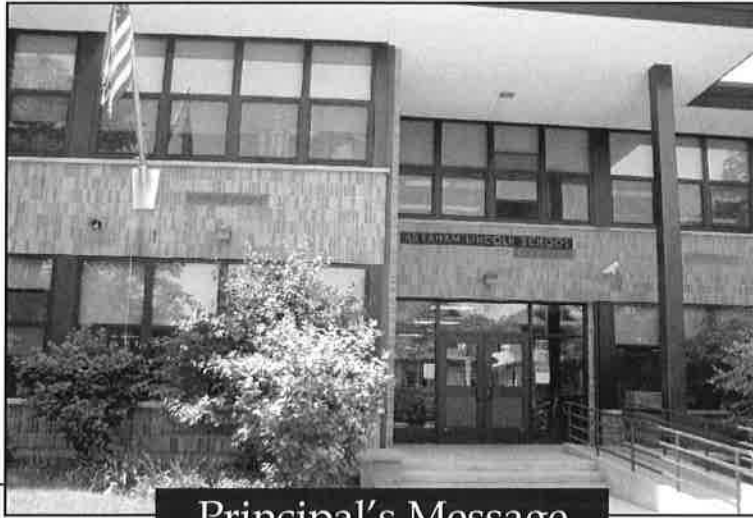

We hope that a little piece of Lincoln stays with you always!

Please remember to visit us and keep us updated on all your new adventures.

A special shout out to you Big MAC alumni, keep all those "lessons" learned about teamwork and friendship close to your heart.

It will serve you well all of your life!

Love,
Mrs. Wilson

5th Annual Pasta Dinner

At Lincoln, every day is a day of learning. But this year at the 5th Annual Hungry Minds Pasta Dinner, 75 fifth grade students got an education of another sort – they learned the joy that comes from working hard with your friends for a cause greater than ourselves. The school-wide event saw 75 fifth graders waiting on the almost 500 people who made dinner reservations. Not a glass went unfilled nor a plate of pasta un-cheesed.

This year, the students raised over \$2,800 in support of hunger relief organizations:

- ~Wateraid (www.wateraid.org)
- ~The International Alliance to End Hunger (www.alliancetoendhunger.org)
- ~Charity Water (www.charitywater.org)
- ~Greater Chicago Food Depository (www.chicagosfoodbank.org)

Over \$400 was also raised with the sale of Food Themed Art Work and Tips!

Dear 5th Graders,

I can't believe the year is already over! I have enjoyed having all of you in my class. You all have done such a wonderful job, and I am very proud of each of you. You've accomplished many things this year academically, and with your personal goals. Each of you has the ability to continue the good work you have done here at Lincoln. Remember to work hard and be respectful. Make us proud! I will miss you all very much, and hope that you will come back to visit.

Yearbook Wish for the Class of 2012

Each year I have this opportunity to write a yearbook wish as another class leaves Lincoln. It is an important time for you, and I want to say more than just "Good Luck." My wish for you runs deeper than the hope that positive things will happen as you move ahead in school and in life. I'm hoping you will think about and remember all the good things you've learned at Lincoln, both academically and socially. Think about how much you have grown, and use that as a solid foundation for the years to come. Applying what you have learned to the choices you will make is the best way I know to bring you the good luck that all of us here at Lincoln hope for you.

Best wishes, and "Good Luck!"

To my class of 2011-2012,

What an amazing group of kids you are! I have really enjoyed spending this school year with you and am so fortunate to have been your teacher. I've seen each and every one of you grow, not just physically, but emotionally, as well. If you believe in yourselves and continue to open your mind, eyes, and heart, you will accomplish so much. Make the most of your lives and know you can make a difference in this world.

Fondly, Ms. McNish

Queridísima clase de 2012,

What a fun year this has been. We have had a great time writing in Spanish and tracking the adventures of Queso, Pato and Pastelito. We recreated the colonies, acted out the Revolution and wrote poetry. You can now write funny limericks to make people laugh. For me, this has been a year of getting to know some of the most amazing people. You all are deep, thoughtful and funny. You have made me laugh and given me lots to think about.

As you move into middle school and beyond I want you all to remember not to use the word "can't" but rather to think "I'll give it a try". Each and every one of you can do what you want. As you move on work hard, try new things and most of all have fun.

Con muchísimo cariño,
Señora Smith

Service Team

Each year the 5th grade sets a goal for each student to complete 15 hours of service to Lincoln School. In order to reach this goal, the students help teachers with organizing, bulletin boards, mail, tutoring, stacking chairs, sharpening pencils, etc. The students come before or after school and during the lunch hour to help. For Each 10 minutes of work, one sticker was awarded.

Most 5th graders participate and exceed the goal of 15 hours of service.

Midwest Academic Talent Search (MATS), Center for Talent, Development Northwestern University Coordinated by: Mr. Kuntz

This year the Center for Talent Development at Northwestern University conducted its seventeenth annual search for elementary and middle school students who are academically talented. Over 5,400 students participated in the Midwest Academic Talent Search from several midwestern states. This year 10 fifth grade students from Lincoln participated in the Talent Search. These students qualified for the Northwestern program by attaining outstanding academic achievement in the math and/or verbal areas of a nationally normed achievement test. Participating students completed the EXPLORE, out of level test, in January or February. The students who participated this year from Lincoln are:

Lee Anderson
Layla Hallab
Alyssa Hirshman
Rebecca Lu
Eamon McAndrews

Paul Obrecht
Maire O'Donnell
Molly Ryan
Thomas Sage
Ethan Wang

Mathematical Olympiads for Elementary and Middle School Students (MOEMS)

Students from Lincoln in grade five participated in the Mathematical Olympiad for Elementary and Middle Schools this year. They were among the nearly 135,000 students and 4,600 teams worldwide to participate this year in the Math Olympiad Program. The students participated in a series of five monthly contests consisting of five very challenging problems each.

The following students participated in MOEMS this year:

Lee Anderson
Ben Atkins
Ethan Berleman-Paul
Samantha Braun
Eunseo Choo

Illinois Council of Teachers of Mathematics ANNUAL MATH CONTEST

ICTM sponsors in-school contests for students from 3rd through 8th grade, along with an algebra contest for Junior High students.

Contest questions reflect the NCTM Standards spirit of problem solving and encourage the use of calculators. Team events also promote cooperation among students. Problems are written to challenge students thinking, hopefully leading to further appreciation and exploration of mathematics.

Students completed a series of three contests throughout the year- each test consisting of a team competition and an individual event. In the team competition, a small group of students work together to solve 20 challenging problems in 25 minutes. The second test is for individuals, where students work independently on 8 questions for 20 minutes. Scores of the two best teams and top 10 individuals for each competition count toward the school total.

A total of 63 students in grade 5 participated in the ICTM Math Contest this year.

5th Grade Global Virtual Classroom (GVC) Project coordinated by Mr. Kuntz.

The Global Virtual Classroom Contest is a global team cooperation and website-building activity. Using Internet technologies to communicate, teams of three schools from around the world work together to build a website.

The Global Virtual Classroom (GVC) Project emphasizes collaboration and telecommunication throughout the world. Students learn effective communication with all ages and cultures. Students celebrate their varied talents and combine those talents to create a product greater than any one individual could create alone. They learn how to learn, and are taught new software products and educational themes.

After working together for the last 6 months, approximately 1,800 students from 73 schools, representing 26 countries around the world unveiled 24 websites as part of the Global Virtual Classroom Contest 2012. The Global Virtual Classroom contest is sponsored by AT&T International as well as GSBI- Give Something Back International.

The 5th grade team from Lincoln School teamed up with schools from Hungary and Russia to create a website entitled: If Kids Ruled the World. Students created their own worlds by using Google Sketch-Up, some examples were... If Kids Ruled the World, everything would be made out of CANDY!

While we did not win an award this year (both of our partners did not finish their parts of the website), I am very proud of the students here at Lincoln that worked hard to the end of the project.

Please check out our work at <http://gvc1106.blogspot.com/>

THANK YOU

The 2011-2012 Yearbook Staff members were instrumental in helping to create this year's yearbook! They talked about and chose the questions for both the Memories Section and the Fads & Favorites Questionnaire. They designed the front and back covers. They took pictures for the "Spy Section". We would like to thank all of them for their dedication and efforts in helping put the book together!

Special Thanks

To all the Parents who were so kind
in sending in their photos from the
year's events so that we could make
certain that everyone was
represented.

Extra Special Thanks

To all the Teachers & Staff!
For all your Well Wishes, and for
sending in your photos for the
Guess Who Section.

We couldn't have done it without
Mr. Kuntz & Cathy Hamilton who
compiled all the information for the
Honors & Awards Sections

Super Extra Special Thanks

To Mrs. Roskopf for
EVERYTHING

*And to Sanna Evans, because without
her generosity, kindness and
patience, this yearbook would not
have been possible!*

And to all the teachers, aides and staff that have given so much of themselves
and made such a difference in our children's lives
We are eternally grateful for all your efforts.
