I and the entire Lincoln Staff will miss you. We were lucky to have you as part of our Lincoln Family. Good luck at the middle school and wherever your future takes you. We will think of you often and look forward to your visits. Do great things with your life and remember.....you are always an UP AT LINCOLN kid!!!

Ms. Hamilton

Words of Wisdom

"It has been amazing watching all of you grow at Lincoln. You are ready for the world beyond Lincoln. Take with you all you have learned here, the love and support of our staff and the many friendships you have made here. I know I will see you out and about here in Oak Park or over at Brooks or even when you come back to visit. We have had some fun. I know you will remember when the lunch hour was switched during your 5th grade here -- just when you had made it to the top. You have wanted to petition our food service for more "edible" food and pizza that looks like pizza. Take care at the big Middle School. Make friends with the office staff, they are often your major back up when you are in a jam. We will miss you! Be good to each other."

--- Mrs. Bradford

"Never give up. Keep your thoughts and your mind always on the goal. I wish you all the most and the best that life has to offer.

Good luck in your future endeavors."

--- Ms. Caradine

"I will miss seeing all of your familiar, smiling faces! I will also miss all of your hard work as service team volunteers! Thank you so much and keep up the good work again next year. Good luck and best wishes to all of you."

--- Mrs. Holt

"Best wishes, Lincoln Fifth-Graders! Don't forget to read, study hard, and do your homework. It should be an exciting time of new challenges!"

---Mrs. Hayes

"Take with you all the love and care that was shown you in this place and grow it everywhere you go. Remember you cannot have an action without a reaction, so make your actions count and make them from your heart.

--- Mrs. Conmy

"Make us proud, we'll miss you." ---Mrs. West

"Congratulations to all of you for a job well done at Lincoln School! It has been nice knowing you and thank you for allowing me to help you learn. Good luck in Middle School. Continue to have those positive attitudes and never give up. Success is measured by overcoming those obstacles in life. Always aim high and make a good future for yourself by getting your education. May you all realize your dreams whatever they might be. Don't ever forget the people who helped you along the way. Always be humble. God bless you..."

--- Mrs. Metropoulos

From your Friends at Lincoln

"May you continue to grow, imagine, and believe in yourself. Always strive to do your best.

Make wise choices and wonderful friendships... I will miss you and all the wonderful art work you created at Lincoln. Continue to bloom where you are planted and come back to visit us."

--- Mrs. Marino

- "1. Try your best.
 - 2. Do what you know is right
 - 3. Formulate your own opinions.
 - 4. Different is different, not better or worse." --- Mrs. Thompson

"I really enjoyed meeting all of you this year. You guys are great! You are a very smart group of kids and you will do great in middle school. I will miss you all - keep working on your Espanol!!! adios."

--- Senerita Barrera

"Best wishes as you continue to grow and learn. I hope that you will look back on your years at Lincoln and remember them fondly. I know that I will always remember you with happiness." ---Ms. Priceman

"Trust your inner voice and listen to your heart. Know that if that voice says it's right, it probably is, and if it says it's wrong, it probably is wrong. Make wise decisions, long-lasting friendships, and find what truly makes you happy. Thank you for putting a smile on my face day after day."

--- Mrs. Richert

"'Know what's weird? Day by day, nothing seems to change, but pretty soon... everything's different.' (Calvin and Hobbes) Remember this as you take a step into your new adventure. Lots of little changes don't make a dent but their accumulation is arand."

--- Mrs. Sapoznick

"As you move on to Brooks Middle School, we hope you take with you the "Up At Lincoln" spirit. Remember to keep old friends while reaching out to new ones. Remember to set high goals and be the best you can be. Remember to support your families and community because they will always be there for you. We wish you many successes in the coming years. Please keep in touch

--- Mrs. Thomas & Mrs. Wiedow

"Every day is a gift. Live each day to the fullest, by always doing your best at everything you do."

--- Mrs. Condon

"I can't believe you're already leaving! I have known some of you since you were five years old, but it doesn't seem that long ago. I have wonderful memories of teaching all of

you, and I hope you will continue to develop your musical interests and talents as you grow older. We will miss you Up at Lincoln."

Mrs. Godek

You are a wonderful group of children. You have made us all very proud. Each of you has the ability to do well and reach your goals. Keep working hard, being respectful, and show the middle school how great Lincoln students are! Good luck!

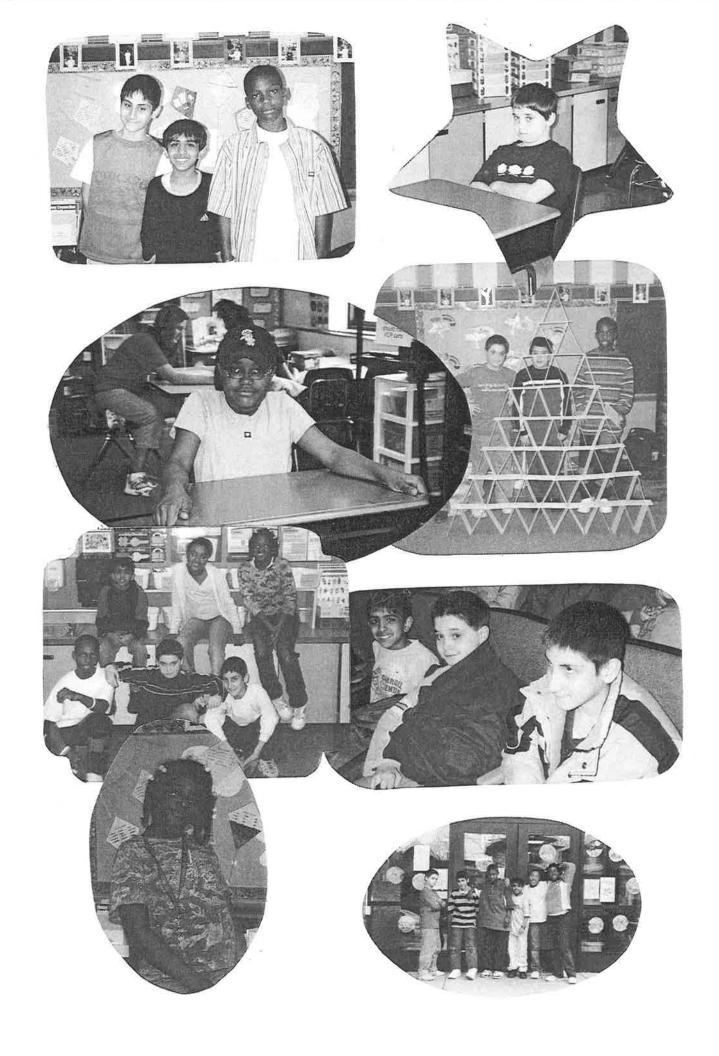

Mr. Halter

I hope you are excited about moving on to a new school! I am so happy for you and proud of all that you have accomplished this year. Remember to take with you all the good memories of your time at Lincoln and use those positive thoughts and experiences to help you as you continue to grow. For some time to come, you will be known as a "Lincoln Kid". We know you will always make us proud!

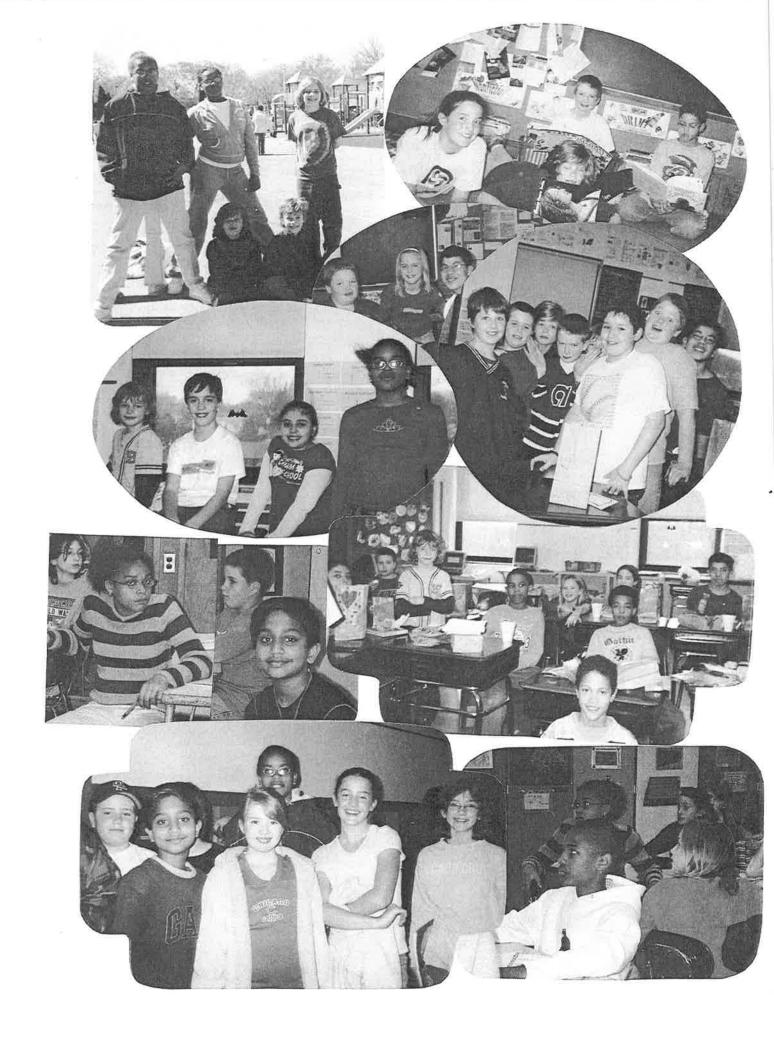

Ms. McNish

It's been a pleasure getting to know you and working with so many of you this year. You are great kids and I hope you continue to push yourselves and set high goals. You <u>can</u> achieve them. Have a wonderful time at Brooks Middle School and come back to visit us.

Ms. Mrozek

It's been great getting to know each of you over the past two years. I am proud of the hard work that you have done and all that you have learned. I have watched you grow and mature, and I know you will continue to do a great job at the middle school. Keep up the hard work. I will miss you.

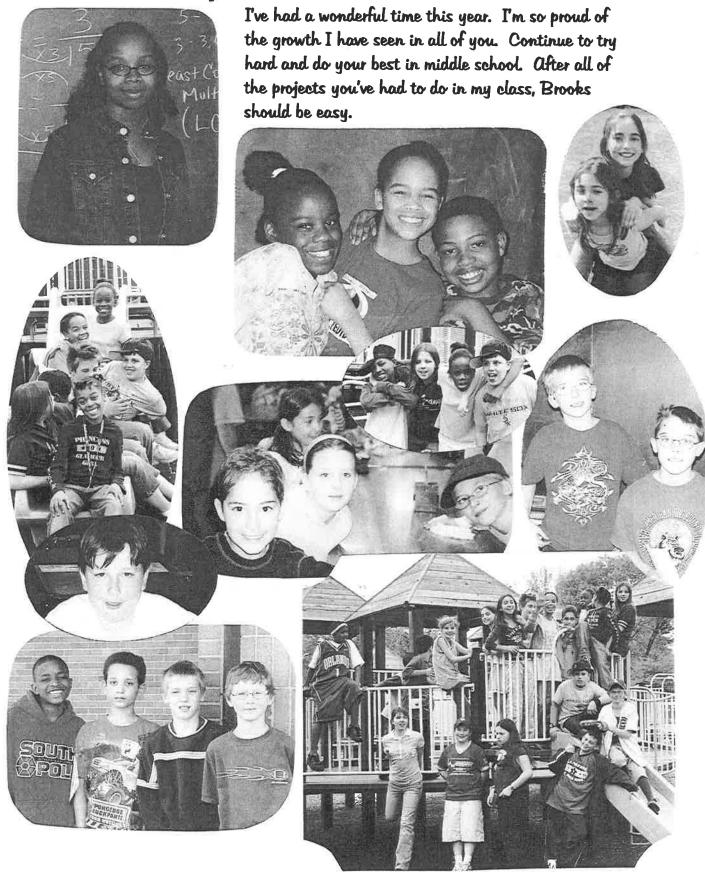

Mrs. Sapoznick

It has been a fantastic journey this year. You are all very amazing, interesting, and thoughtful individuals. Maintain your identity, continue your learning and your growing, and pay attention to all the signs along the way. Buena Suerte a todos.
