# Words of Wisdom

So our "last year" at Lincoln has arrived and we are leaving together. You will move on to middle school where you will make new friends, face new learning challenges and sample more of what this world has to offer you. I, too, will face new learning challenges as I move on to a new phase in my life.

You and I have something in common besides new adventures. We have been shaped by our experiences at Lincoln. Over the years we have shared Ice Cream Socials and Book Fairs and Pizza Dinners, Halloween Parades, field trips with Global Village Scientists, Peer Mediation Assemblies, Picture Days, Holiday Sings, Lincoln Carnivals, Valentine Parties, Talent Shows, Learning Goal Fairs and State Fairs, Cinco de Mayo Celebrations, Student Council Multi-Cultural Fairs, Challenge Classes, Exploratory Classes, Memorial Day Programs, Awards Ceremonies, Wow Slips and "Up at Lincoln" Buttons.

We also have been shaped by the "Up at Lincoln" story. No matter where we go in life, Lincoln School will always be part of us and we will always be "Up at Lincoln Kids."

Congratulations on your move to middle school- make us proud- come back and visit often.

Mrs. Dudzik

I wish you the best of luck in your days at the middle school and wherever your future takes you. Always hold tight to the lessons learned and the friendships formed at Lincoln School. We will think of you often and look forward to your visits. Do great things with your lives.

– Ms. Hamilton

Lincoln School has given you a great beginning. You move on now to new experiences, new friends and many other schools in your future. Always remember that the people in the office are there to help you and guide you through the rough spots. Get to know them. Hopefully you will see the office only in the best of times!! We will miss you all, 5<sup>th</sup> and 6<sup>th</sup> graders. Come back and see us.

– Mrs. Bradford and Mrs. Goeke

Find an area special to you and cultivate your ability to the fullest. Your special interest will help you through the tough times in life! – Mr. Gibson

Congratulations to this year's graduates! I have known many of you since you were young children, and now you're ready for middle school. It has been a pleasure to watch you grow up. I hope you leave Lincoln feeling that you have learned a lot, and that you are anxious to experience all the things your future has to offer. I can't believe I won't be teaching sixth graders any more. I will miss having you around to keep me on my toes. Have a wonderful summer, keep on making music and be sure to come back to visit us! – Mr. Jacobson

Follow your dreams. Allow yourself to be imaginative and creative. Strive to do your best, and you will go to great heights above all the rest! We will miss you. – Mrs. Marino

It has been such a pleasure to be your physical education teacher here at Lincoln. I hope your future is filled with great success, happy times, good friends and wonderful memories. All the best.  
– Mrs. Madura

As you begin your middle level education in our newly completed buildings, take advantage of this opportunity to also start anew. Be a friend, and you will make friends. See you at Emerson/Brooks Middle School. – Mrs. Rothstein

Exactly.

Don't come  
up here and  
act a fool!

You need to  
exercise  
self-control.

Lord have  
mercy!

*"Character is made by what you stand for; reputation by what you fall for. Always stand up for the things that are true and right. Best wishes for a successful future!"*

# Ms. King 6th Grade

Boys  
and  
girls!

Clap once if  
you can hear  
me . . .

Shh!

Excuse  
me!

*"Thanks for a great year of memories. You made my first year at Lincoln a very enjoyable one. Best of luck in 7<sup>th</sup> grade."*

# Ms. Peterson

## 6th Grade

Knock  
it off!!

Hey!!

Who left the  
water on?!

Who spit in  
the sink?!

*"Querida clase,*

*Yo les espero todo lo mejor para su futuro. Ha sido un verdadero placer estar con Uds. este año. Siempre acuérdense que cada uno de Uds. es especial. No olviden que tienen un don muy especial-pueden conocerle a partes del mundo diferentes y sus gentes muy bonitas. ¡Los quiero muchísimo! ¡El mundo tes está abierto!"*

*"Dear class,*

*I wish all the best for your future. It has been a real pleasure being with you this year. Always remember that each one of you is special. Do not forget that you have a very special gift-you can get to know whole different parts of the world and their beautiful people. I love you guys very much! The world is open to you!"*

## 6th Grade

Hey!  
Pasqwali.

...but  
that's  
another  
story.

You can't  
out slick the  
slicker.

You've got  
another  
thought  
coming.

*"I would like to paraphrase Malcolm X's statement, "If we pay as much attention to our brains as we do our hair there would be no limit to what we could accomplish." Remember boys and girls to listen, think, set goals, and persevere. Do these things and a successful future will surely be yours."*

# Mrs. Godek Cross-Categorical

Worry about  
yourself,  
that's a full  
time job.

Make a  
decision.

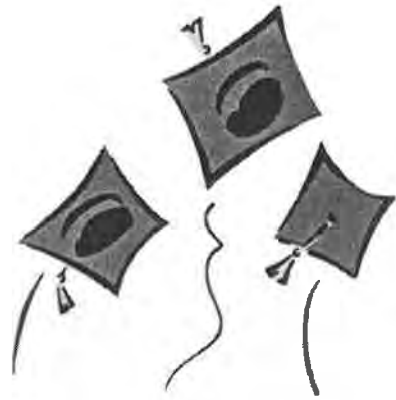

Who said life  
was fair?

That's a  
warning!

*"I wish you all the best of luck as you move on to the middle school.  
Remember, hard work really does pay off!"*
