Words of Wisdom

"I wish you joy and happiness as you continue through life. Remember you'll always have friends at Lincoln—come back and visit."

---Ms. Priceman

"Dear Sixth Graders,
We'll miss you at Lincoln
School. Continue your great work

at the new junior high. Enjoy your summer!"

---Mrs. Holt

"To a great group of students: Look to the future, have dreams, and always compassion! You will be missed and always treasured."

---Mrs. Cohen

"The best of luck to you, not only in junior high, but in life. I would like to leave you with a quote from Malcolm X: 'If we paid as much attention to our brains as we do our hair, we would excel."

---Mrs. Smitherman

"Return to Lincoln often. We want to stay in touch with you as you make career choices and develop into young adults. Remember you will always be 'Up at Lincoln' kids." ---Mrs. Dudzik "Dear Sixth Graders,

As you journey through life, remember that your destiny is controlled by you alone. You must decide what you want to be, then do what is necessary to get there. Don't be afraid of hard work.

Be positive about yourselves and your prospects in life. Learn from your mistakes and move on. Love yourselves and you will never do anything to hurt yourselves.

You have my sincerest wishes for a happy and successful future."

---Mr. Ongena

"Congratulations, Sixth Graders!
You should be very proud!
Remember all you've learned at
Lincoln; do something nice for
someone, and keep a smile on your
face."

--- Mrs. Godek

From your Friends at Lincoln

"Congratulations, sixth graders! As Dr. Seuss says, 'Oh, the places you'll go! Kid, you'll move mountains!' Good luck!"

---Mrs. Fronk

"Never forget the many lessons you have learned here at Lincoln through the years---not necessarily the 'academic stuff,' as much as those life lessons which will lead you to experience and enjoy life at its best! I leave with you the 'four agreements' of Toltec wisdom: be impeccable with your words; don't take anything personally; don't make assumptions; and always do your best—compare yourself only with yourself yesterday.

Los quiero a ustedes muchisimo, y los voy a extranar tanto....Mucha suerte en la vida que les espera."

Con mucho cariño,
---Ms. Peterson

"You've hitched your wagon to the sky! Congratulations for a job well done at Lincoln School. Good luck for the next journey in life and may you continue to acquire knowledge and important lessons about life. Share your many talents and truly make a difference to someone and to your community to make our world a better place!"

---Mrs. Metropoulos

"Good luck in junior high. Keep up the great work and make us proud!! You'll be missed. And remember, a gifted mind is never bored."

> ¡Suerte! ---Senora Munoz

"I wish you all the very best life has to offer. Just remember that you need to give your best as you get close to the finish line. Don't give up at the end, but push harder."

---Mrs. Ewing

"Best of luck in your years to come! It's been great teaching you here at Lincoln! Stay active, stay healthy, stay safe!"

Words of Wisdom

"Lincoln school has given you a great beginning. You move on now to new experiences, perhaps many schools ahead in your future. Always remember that the people in the office are there to help you and guide you through the rough spots. Get to know them. Hopefully you will only see the office in the best of times!! We will miss you all."

--- Mrs. Bradford & Mrs. Goeke

"Best of luck in the future. Keep working hard, and don't be afraid to dream."

---Mrs. Buckley

"Dear Sixth Graders,

You have been a very kind and caring class. Thank you for being such great role models for the younger children in our Lincoln family. As you go on to junior high, remember to believe in yourselves, look out for each other, and come back and visit us.

Have a great adventure!"
---Ms. Keleher

"Good luck to all graduates! I hope your years ahead are full of academic challenges and successes, and that you have rewarding experiences at the new Emerson Junior High School."

---Ms. McNish

"Dear Sixth Graders,

I wish for you only the best life has to offer! Take time to enjoy each day, make the most of it and remember the good moments! Thanks for all you added to Lincoln School."

---Ms. Callahan

"Life is filled with choices. Make yours thoughtfully and wisely. Choose friends who share your ideals and bring out the best in you. Set your standards high and you will accomplish them with hard work."

---Mrs. Rothstein

From your Friends at Lincoln

"One of my favorite books continues to be 'All I Really Need to Know I Learned in Kindergarten' by Robert Fulghum (maybe some of yours, too!). There is a passage that says, 'And it is still true, no matter how old you are—when you go out into the world, it is best to hold hands and stick together.' My wish for you is that you will always remember to 'hold hands' with your family, your friends, and the world!

Best wishes always. Love,"

---Mrs. Schmidt

"Dear Big MAC Alumni,

You are all so very special to us because you were our very FIRST class in the Big MAC. We know that you will be successful in whatever you aim to accomplish.

Set high standards for yourself. Aim for the stars. Believe in yourself. We believe in you."

---Mrs. Thomas & Mrs. Wiedow

"Congratulations to all the sixth graders! I've enjoyed being your music teacher all these years. I hope you continue studying music in junior high and beyond. Have a great summer!"

---Mr. Jacobson

"Life is a series of decisions that will affect you daily for the rest of your life. You should always remember to do what you have to do first, what you need to do secondly, and what you want to do thirdly."

---Mr. Harris

"Dear Big Kids—

As you start on your journey in the upper grades—hold tight to the lessons you learned here at Lincoln, and use them, build on them. Those early lessons are the basis for all that follows.

Remember, too, that some days are tough—we all have them. Face them, ask for help when you need it and go forward. On each wonderful day, give thanks and reach out to make someone else have a bit of sunshine. You can and do make a difference in other people's lives.

Good luck and peace."
---Ms. Conmy

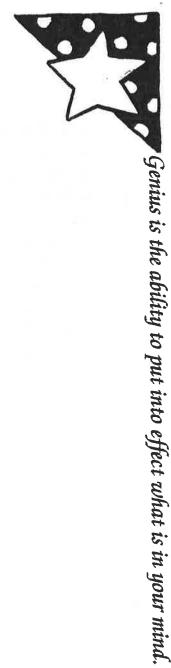

"'It takes a long time to become young.'---Pablo Picasso
Work hard, think hard, and practice hard, but don't forget to be young! Good luck to all of you!"

---Ms. Jellum

"To a great sixth grade class— Best of luck on your journey into adulthood!"
