and plan ahead for the rough
decisions of high school.

Don't stop believing in who
you are! That's the basis of self-
respect.

Ms. Thompson

Dear Sixth Graders,

My fondest memory of you was
when you were performing
"Geography Jeopardy" in 1997.

Best wishes in your future
years of schooling.

Sincerely,

Joyce Moore

**You are all capable of great
success. Work hard and enjoy the
benefits life has to offer.**

Mr. Ongena

*Best wishes for a
musical future!*

Mr. Gibson

Farewell and Good Luck, Sixth Graders!

Leaving Lincoln School marks the end of a very special time in your life. It also marks the beginning of an even more special time. When you leave us, remember: You can succeed in anything if you put forth the effort.

Mr. Harris

Les Brown coined a phrase, "No one raises to low expectations;" always remember that. Work and study hard, and go through life with dignity and pride. The best to you all.

*Sincerely,
Mrs. Smitherman
1998-99*

Dear 6th Graders,

It's hard to believe that you're leaving Lincoln. You have been a wonderful class and I will really miss you. My one piece of advice is to please take good care of yourselves and each other. Be kind, look out for each other and make sure that you let the adults know if some one needs help.

I hope that you find that junior high is exciting, challenging and fun.

**Good luck!
Ms. Keleher**

*The best of luck to you at
Emerson!! Study hard and the
world is yours!! We will miss you.
Ms. Pyne*

May you always see rainbows in your life — and live each day as brightly and fully as the colors within!

**Best of Luck!
Ms. Callahan**

*"Oh the Places You'll Go!
And Will You Succeed?:
Yes, You Will Indeed!
Kid, You'll Move Mountains!"
Dr. Seuss.*

*Good luck to you!
Mrs. Fronk*

**Reading keeps you growing
throughout life.**

Mrs. Ramsey

***Best wishes, sixth-graders, as you
start a different adventure in a
new school!***

Mrs. Hayes (Grade 2, Looping)

**Best of luck in the years ahead.
Work hard and be kind to each
other.**

Ms. Buckley

*Although your class size has been
small in numbers, you
accomplished many things. Keep
believing in yourselves and you
will reach your goals.*

Mrs. Rothstein

**I wish you wonderful new
adventures on your journey
through life.**

Mrs. Fegan

Farewell and Good Luck, Sixth Graders!

**Good wishes, good memories,
good luck. As your experience at
Lincoln ends, I hope all of you
have fond memories to look back
on and that your futures bring you
what you desire and work for.**

Ms. McNish

***Our best wishes follow you to
junior high. Have fun, make new
friends, do your best AND —
don't forget to WASH YOUR
HANDS!***

Ms. Gardner

**"The only way to get where you
want to be is to do what needs to
be done to get there. You will be
challenged. There will be rough
times, things to figure out and
people to understand. Now that
you know what to expect, you are
prepared! The only thing left for
you to do is to actually do it and
you *can* do it!"**

Mrs. Carradine

***How quickly the years go before
you are all grown up enough to
move on to junior high. Some of
you will return to visit and share
your junior high stories with us
and that is always a delight. As
you continue to grow you will
have more adventures, each
leading you to adulthood. Please
know that each and everyone of
you leaves here with the best
wishes of everyone here in the
office. Good luck in the years
ahead — and of course, always be
nice to your school secretary!!***

Mrs. Bradford

Mrs. Goeke

**Lincoln School will miss you next
year but we know you'll be set for
a great year in junior high. We
always love to see you again in
future years.**

Mrs. Holt

Farewell and Good Luck, Sixth Graders!

You must treat life as a building process and you are the engineer. You must decide how to build it. You must decide the purpose for it. You are the engineer of your life. Things may come up or turn out differently than expected, but remember one thing, you will always have strong, experienced engineers in your parents for advise...seek them and your building will be strong...Good luck and best wishes.

Mr. Baez

Remember all the friends and teachers you came in contact with at Lincoln School. Make education your #1 priority — your key to success in life. Continue to be a lifelong learner and remember to give something back to the community once you become a successful adult and a contributing member of society. We'll miss you and best wishes always.

Mrs. Metropoulos

Always believe in yourselves and in your abilities to create many positive contributions to the planet. You are great!

Mrs. Ewing

**Best of luck in the years to come.
You are the greatest!**

Mr. Lindberg

May each of you follow your goals and reach your dreams. Enjoy your junior high experience and work hard for a successful adventure in learning. Good luck and best wishes.

Mrs. Cohen

I wish you all much happiness and success in your future school life! Have fun, work hard and take care of each other.

Mrs. Schmidt

Remember, if you take care of the environment, the environment will take care of you. Good luck and Long Life to you.

Ms. Blenz

Good luck to all of you as you leave Lincoln School. I know you'll do well and make good decisions in each area of your life. Remember all you've learned!

Ms. Godek

**Dear Sixth Grade Graduates,
Congratulations! It has been a pleasure knowing you and seeing you grow to become the fine people you are. I have known many of you since you were just five years old! I hope to see many of you singing and playing music in junior high and high school. Good luck, have a great summer, and come back to visit!**
